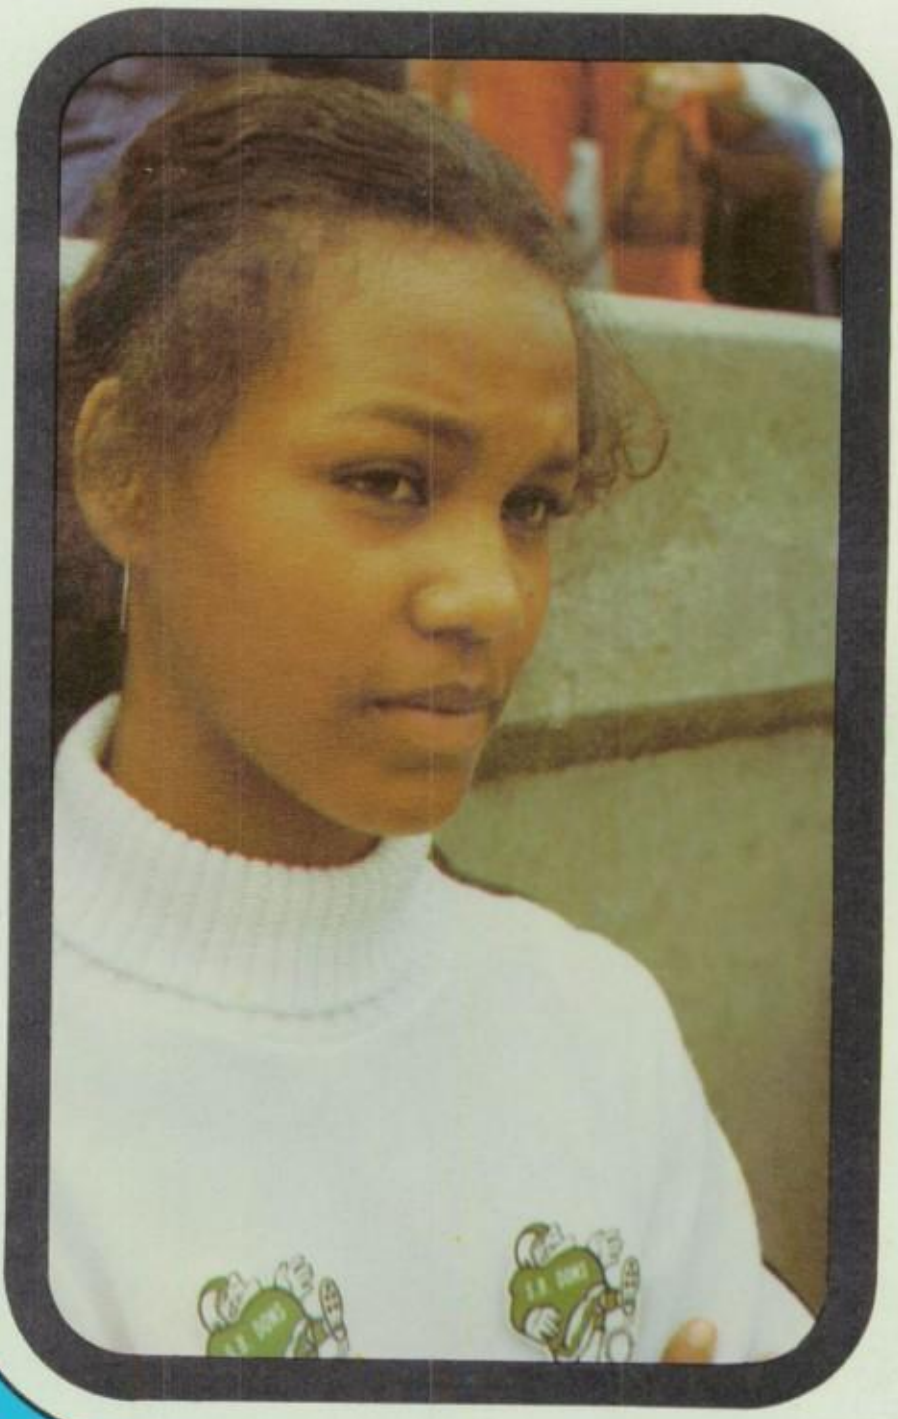
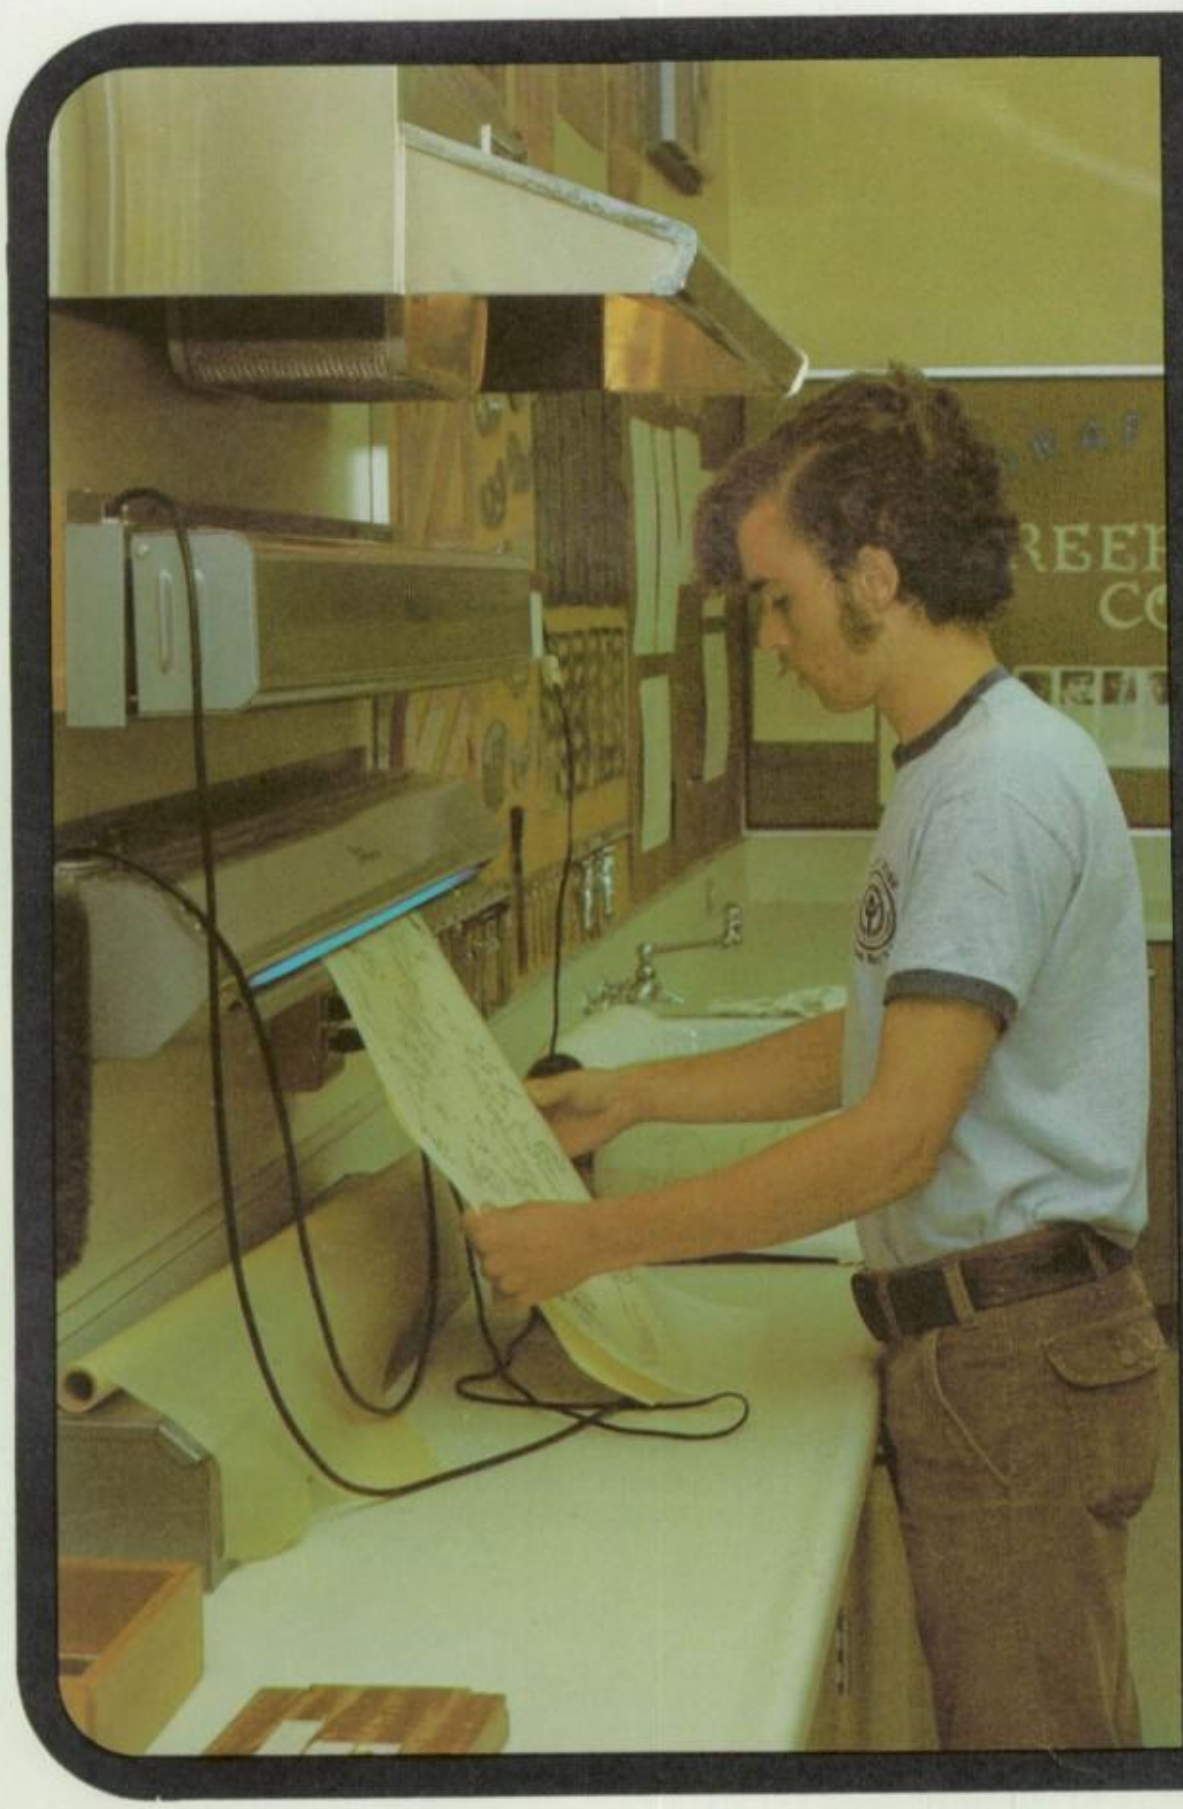
WE ARE DONS

We are one. No matter what our origins, we are dedicated to the objectives of working together, performing together, playing together, and staying together.

Whether our ancestors came from Mexico, the Far East, the African Continent, or Europe, we come together here at Santa Barbara High School.

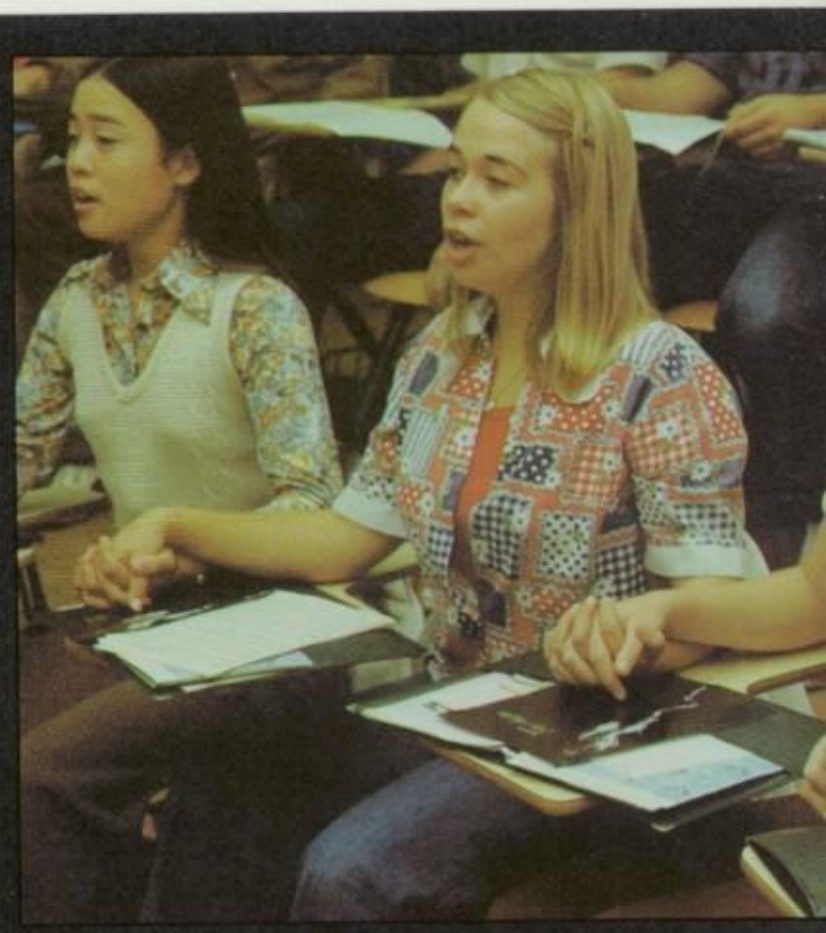




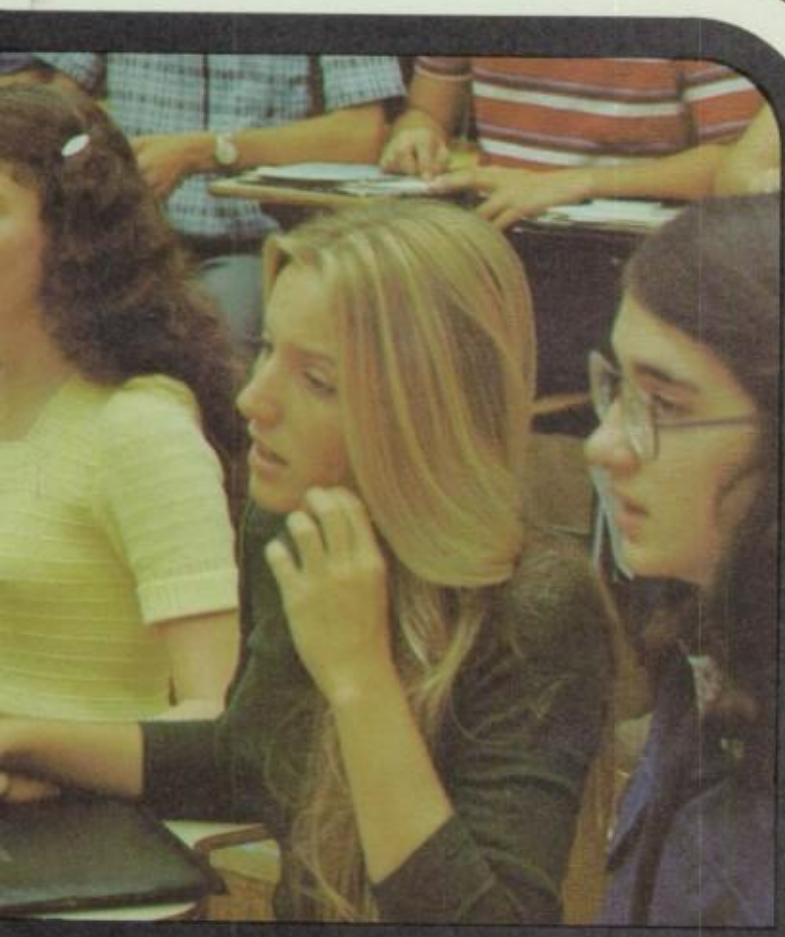
WE WORK TOGETHER

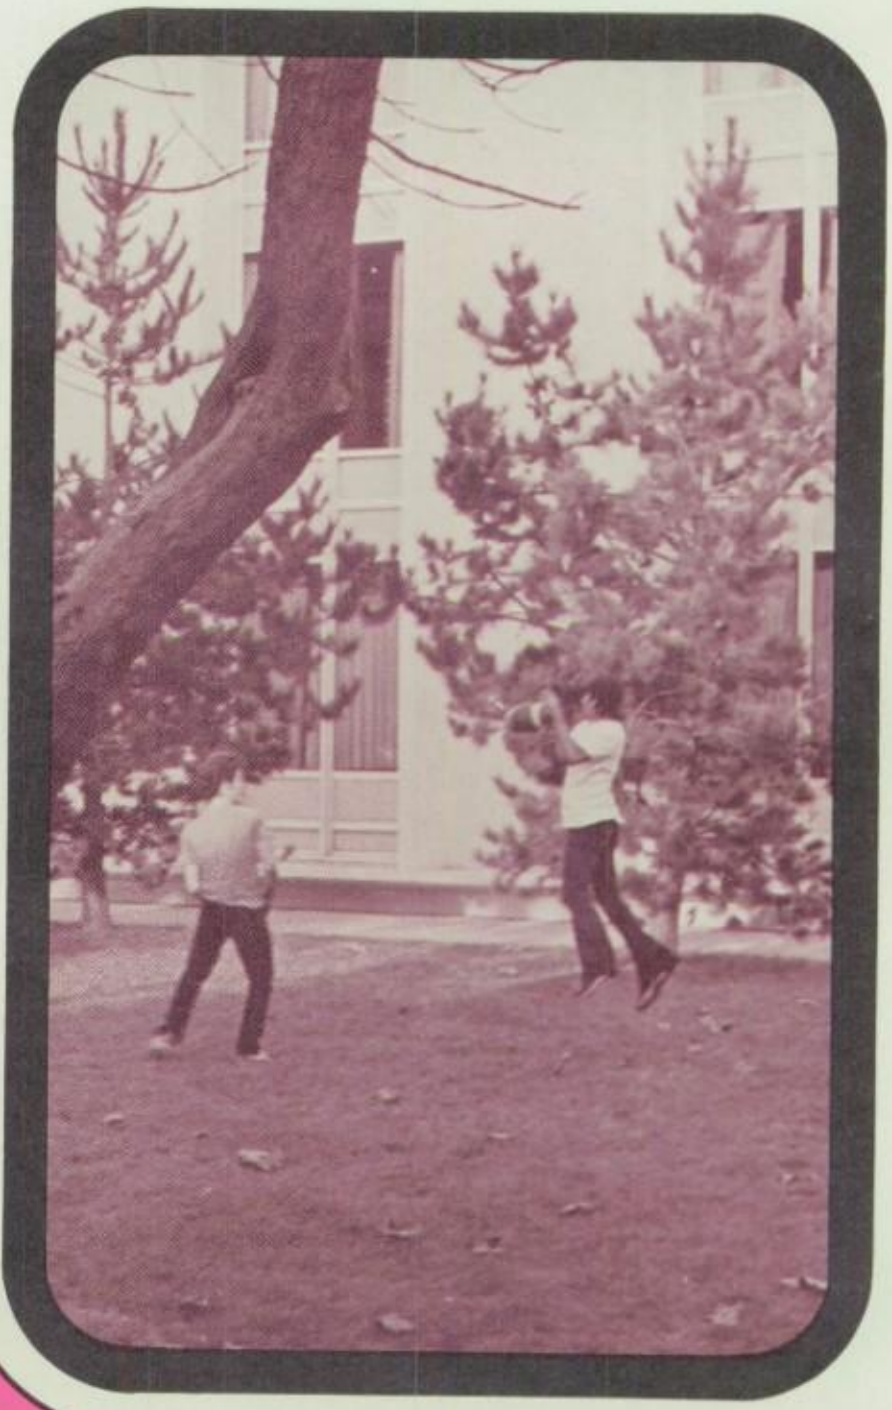
In our daily lives here at Santa Barbara High School, although we found ourselves of different training, of different ages, of different backgrounds and opinions—we worked well together.

WE PERFORM TOGETHER



With a common desire to entertain with pride and satisfaction, students worked and practiced to reach the perfection needed.

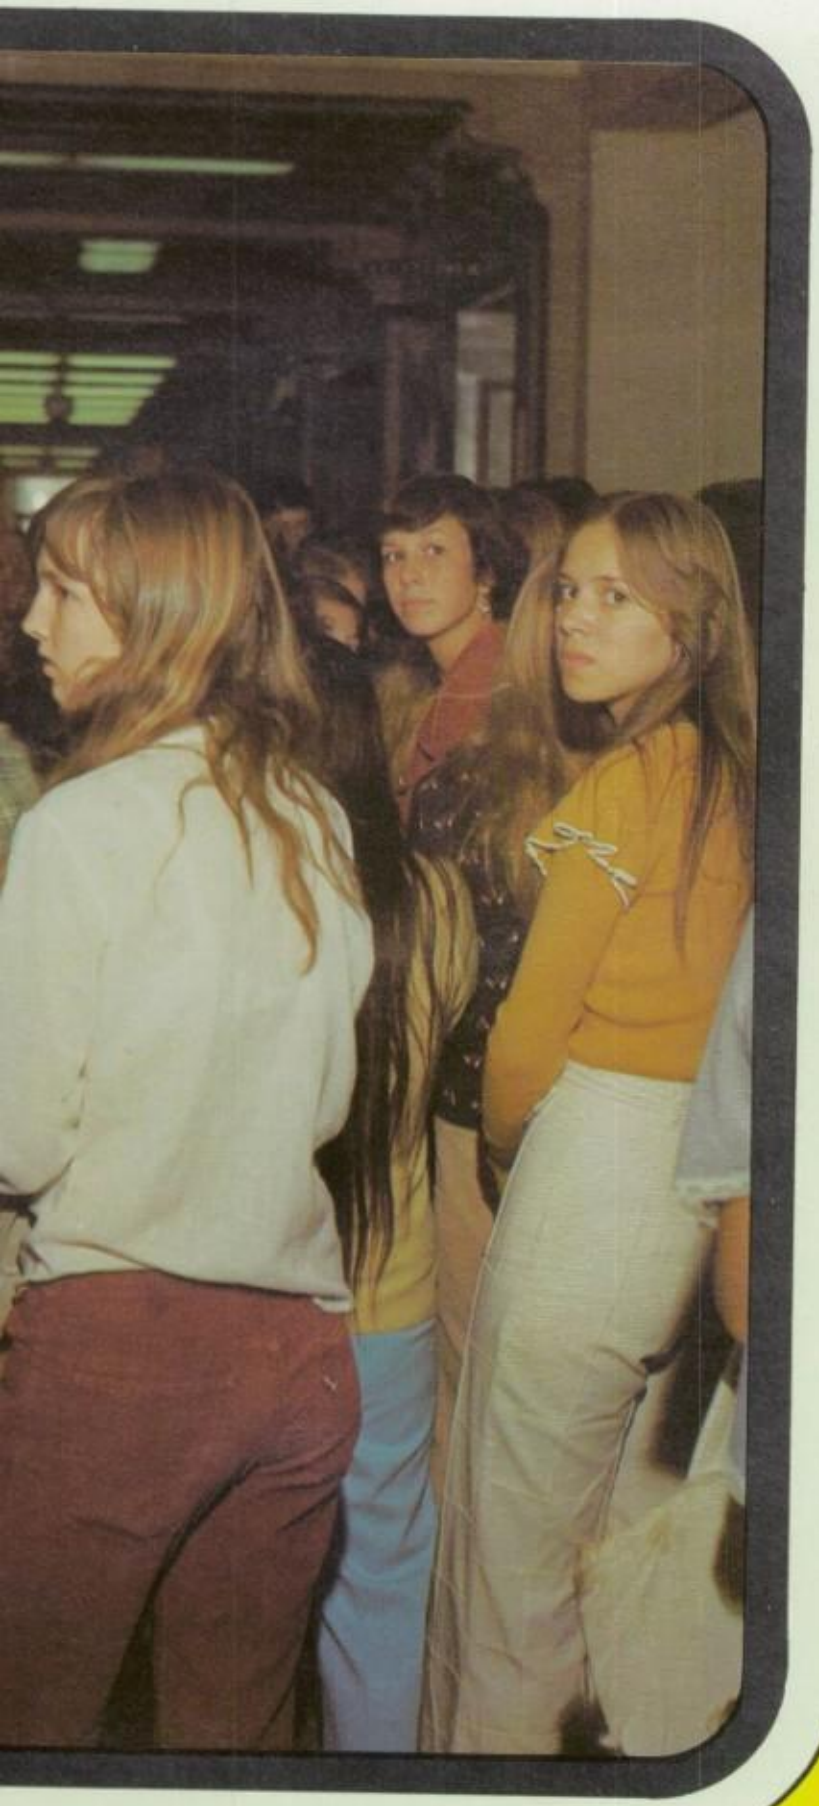




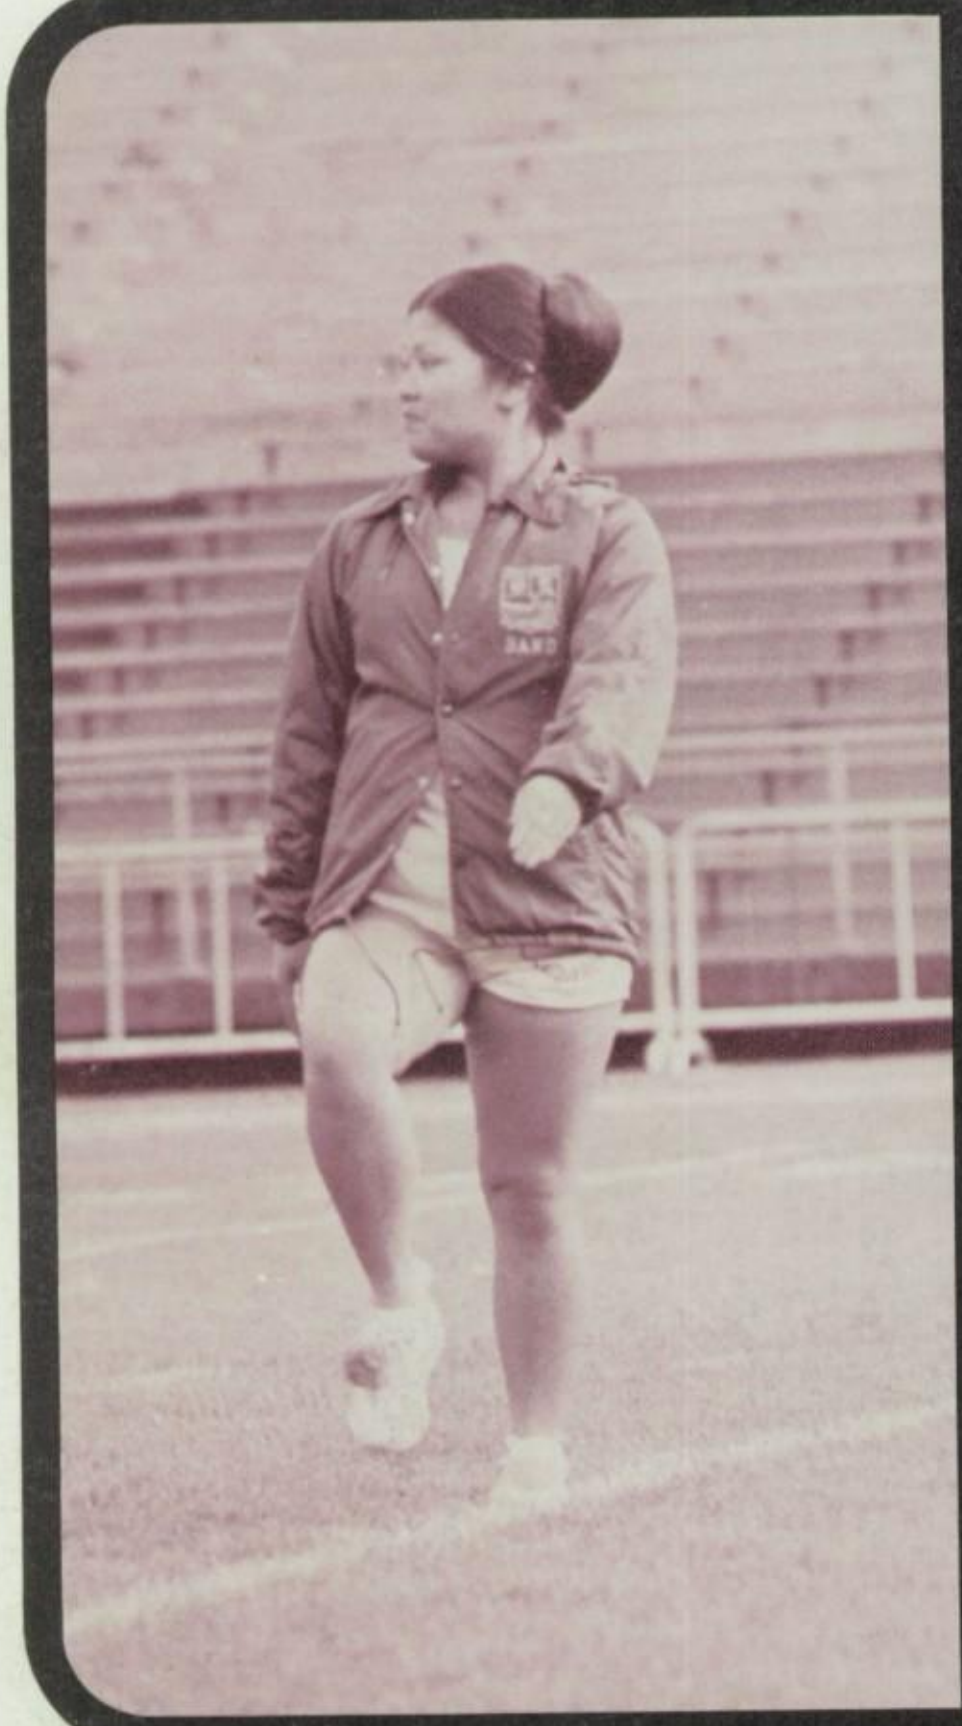
WE PLAY TOGETHER

Out of a variety of personal interests, we relieved the tensions of our everyday life at school. We found time to have fun together.

WE STAY TOGETHER

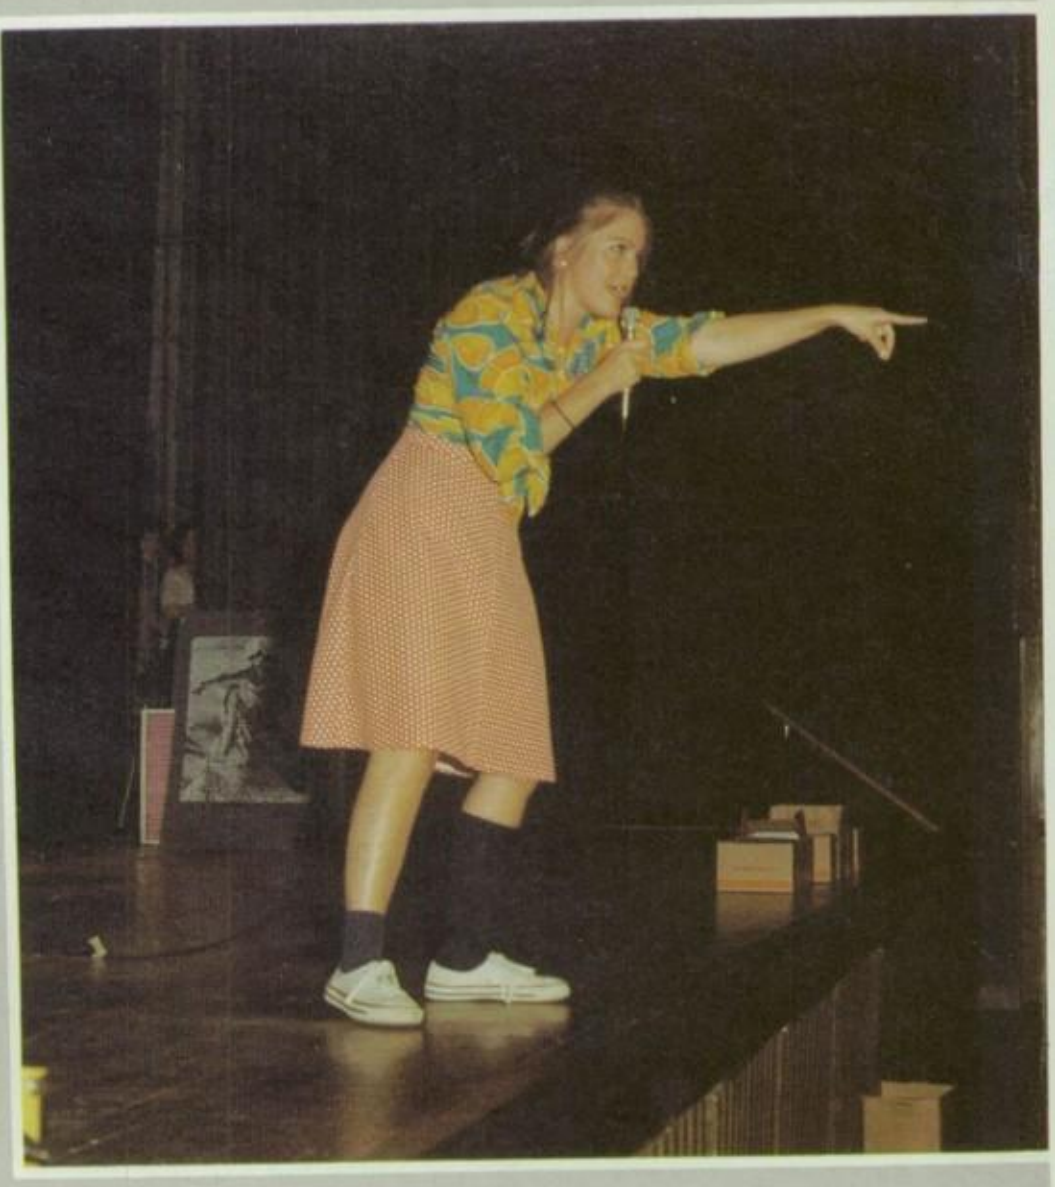


The various bonds which tied us together at Santa Barbara High School are more than just temporary things; they will last long after graduation.



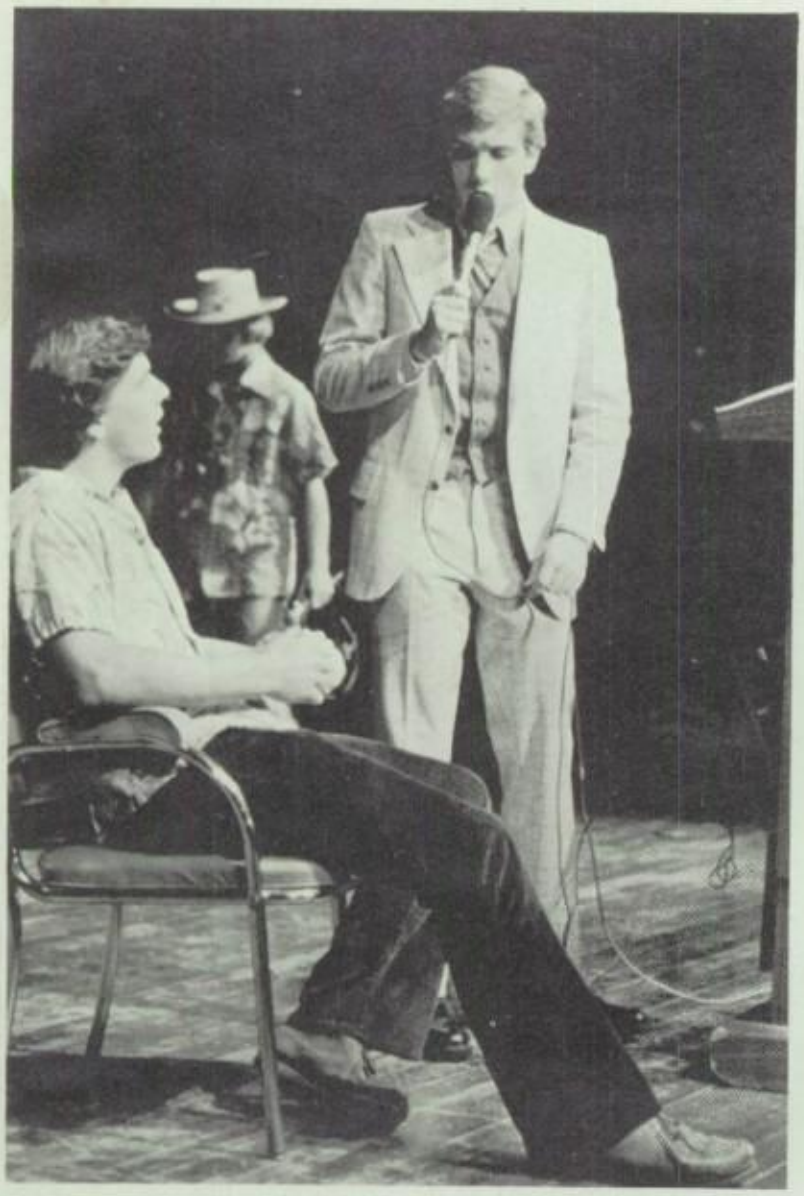
SENIORS

Right: At the first Senior assembly, Sara Dalton points out the necessity of selling magazines.



Above: In order to promote magazine sales, Keith McMillan and Pat Driscoll acknowledge their admirers.

SENIOR CLASS COUNCIL—*Front Row:* Lisa Melcher, Natalie Vincent, Scott Tisdale, Kathy Speer, Stacey O'Brien, Christi Pardo, Norma Gomez, Doug Smith, Keith McMillan, Arthea Larson, Susan Suzuki, Jacqui Hidalgo, Robin Woellert, Monica Guzman. *Row Two:* Susie Hickok, Alfred Mamlet, Sylvia Hernandez, Cindy Neilson, Jennifer Frazer, June Takeda, Sue McNeil, Sharleen Madison, Lisa Alvarez, Janet Bartley, Rose Marie Morales, Ana Avila, Luz Vicencio, Doreen Fujii, Camille Claudy, Debbie Reed. *Row Three:* Peter McKittrick, Joe Hunt, Ruth Anderson, Mike Nance, Pete Ostos, Mike Young, Mike Jacoby, Laurie Smallwood, Katherine Pederson, Susan Beasley, Scott Christianson, Sara Dalton, Jon Taguchi, Luise Stanley, Thayer White, Pat Lynch, Lanny Ebenstien, Tracy Hendrickson.



Top Left: At the magazine sales assembly, Pat Driscoll tries to pursuade David Halliburton to buy a three year subscription to *Seventeen* magazine.

Top Right: Mr. Robert Hager and Miss Barbara Wright, senior counselors, take time out for a quick smile.

Senior Week Inspires Sales

Senior Week, seven days of graduation celebrating, was the inspiration for the annual magazine fund raiser. The Senior Class Council helped raise interest in the sale by having an assembly and awarding prizes for magazine sales. This year the council added tape and record sales to the traditional magazine subscriptions. This addition was not enough, however, to reach the $12,000 goal. In order to make up the difference, Activities Cards were expected to be slightly higher in price. Norma Gomez headed the council, and with the help of the Executive Committee, made basic decisions and presented them to the entire council.

Bottom Left: Pat Driscoll argues his opinion at a Senior Executive Committee meeting as Doug Smith looks on in awe.

Top Right: Find the mouse and win a prize!

Sally Southard Wins Crown

On a hot November Thursday, the six girls nominated by the football, water polo, and cross country teams were presented to the student body at the annual Homecoming Pep Rally. The longstanding tradition of Homecoming was enhanced by a victory the next night over Buena in Peabody Stadium. Anticipation was high during halftime ceremonies as the nominees were escorted onto the field, and a jubilant Sally Southard was crowned 1977 Homecoming Queen to the sounds of "Nadias Theme." The following evening the festivities continued as the queen and her court danced beneath a shower of balloons at the Homecoming Prom. "It was an exciting, memorable experience." —Homecoming Nominee Pam Dillman.

Cheerleaders Keep Energetic Schedule

JUNIOR VARSITY CHEERLEADERS: *Front Row:* Connie Richards, Leslie Wakefield, Ebbie Anderson. *Row Two:* Laura Watson, Vella Murphy, and Molly Kellogg.

The 1976-1977 cheerleaders worked hard to keep school spirit "sky high." They covered nineteen sports, a different sport every day of the week. To be able to keep this energetic schedule, the girls devised a system to divide up and have at least four cheerleaders attend each sporting event. Six hours or more a week were spent diligently practicing, inventing new routines as well as making variations of those learned at cheerleading camp. Every Friday morning, the day of a home basketball or football game, the cheerleaders added pep and vitality to victory breakfasts. Their other activities included baking cupcakes for the water polo players and having dinners for the football team. "Sometimes it's hard. A lot of responsibilities are given to the captain, but it's all worth it in the end. We had a really good time and worked well together."—Madelon Tupper, Captain.

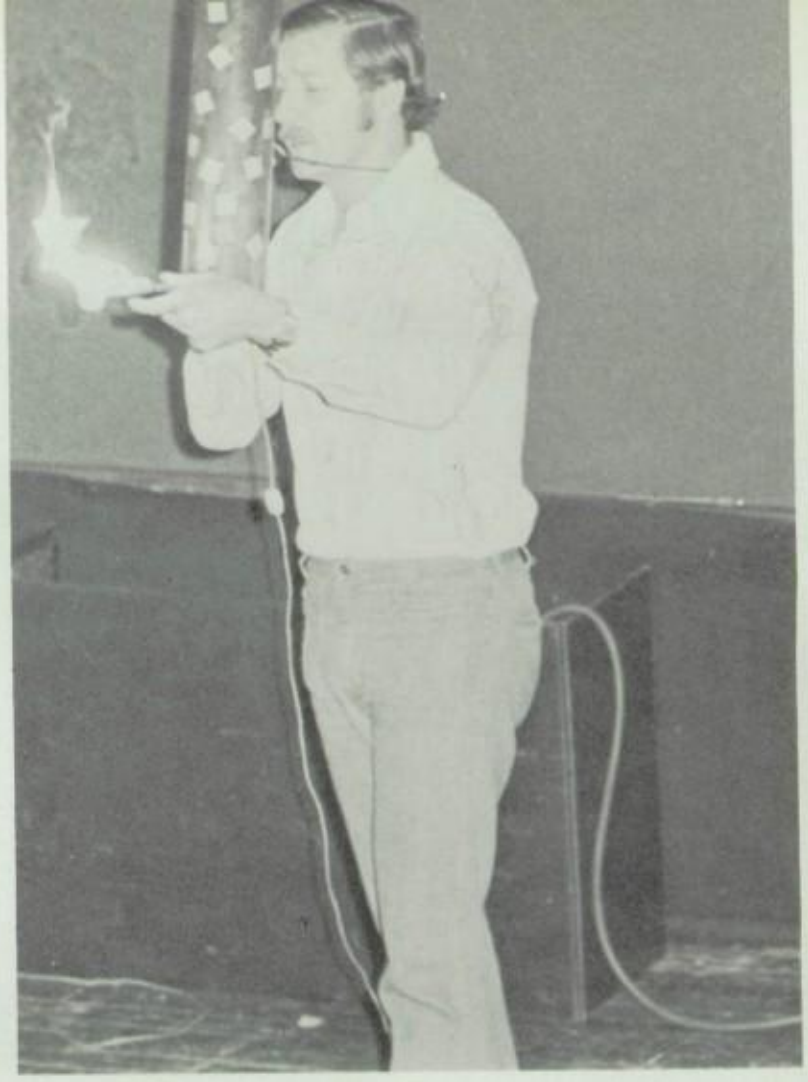
Creative Rallies Involve More Students

Many creative ideas were used in planning pep rallies this year. Activities were designed so that more students could get involved. In one rally the classes competed in building "human pyramids." Students balanced precariously until two of the pyramids toppled, leaving the senior class victorious. In one event, varsity football players were asked to guess which cheerleader had kissed them, and to rate the kiss. But to their surprise and embarrassment, they discovered it was their mother they had kissed.

Micky Marcos day races attracted a large crowd of spectators, with participants competing in events ranging from obstacle courses to egg tossing contests. Besides the student joined activities, cheerleader's yells accompanied our mascot, Lyle Turner, as he amazed audiences with spectacular gymnastic feats. Rallies were popular events and provided great support for our athletic teams.



"What do you call a miner who's crushed by a piano falling into a mineshaft?" Chapman College's conductor jokes with the audience. "A flat minor."

Top Right: In the assembly sponsored by the gas company, "Energy Is All Around Us," a company representative dramatically demonstrates that gas is lighter than air.

Assemblies Varied, Entertaining

Many a laugh was inspired by Assembly Chairman Pat Driscoll's imaginative skits in the King of Hearts and Senior Magazine Sales Assemblies. SBHS hosted the Youri Irving Dance Company which performed fine modern dancing to music. Azusa-Pacific College and Chapman College concert bands provided much enjoyment for the music loving student, along with the assemblies by the school's own talented musicians.

Center Left: "Tell me sir," Pat Driscoll inquires of Tim Ingram, "What is your opinion of the price of pumpernickle in Paraguay?"

Bottom: Two dancers from Youri Irving's Company perform before an enraptured audience at a special invitational assembly.

Center Right: "You mean this isn't Palm Springs? I have to find the old gang before they tee off."

King of Hearts activities commenced the week before Valentine's Day with the nomination of Greg Calderon, Tom McCloskey, Ricky Torres, Ruben Soto, Sam Greene, and John Chavez by the homecoming nominees and the girls' athletic teams. Ruben Soto was selected as the 1977 King of Hearts. The installation took place at the annual King of Hearts dance on Saturday, February 12, in the Boys' Gym. Homecoming Queen Sally Southard crowned the new King as he sat regally in his throne. The dance was a successful event attended by many couples who enjoyed dancing to the sounds of Tempting Soul.

A.S.B. OFFICERS—Keith McMillan, vice president; Michelle Rossi, program and rally chairperson; Lanny Ebenstein, president; Melody Meisel, secretary; David Beaver, treasurer; *Not Pictured:* Janette Contreras, advocate.

Student government provided students with a chance to govern for themselves, and to communicate with the administration. We made the most of our opportunities by sponsoring many activities, including pep rallies, assemblies, and litter days.

Perhaps more importantly, students voiced their feelings through student reps. on Education committees and the P.T.A.

Student government is important. To create a better school should be the goal of future student government.

—Lanny Ebenstein, A.S.B. President

Serving as a direct link between the student body and the administration, the A.S.B. legislature was involved in many aspects of student life. The Student Body officers made up the executive cabinet of the school. Under their guidance, committees were formed to allow students with special interests and concerns to concentrate on issues important to them. The committees delved into matters regarding the school constitution and educational policies, and also dealt with major issues confronting the school. Forming the machinery behind many school functions, committee members planned social events such as dances, pep rallies and assemblies, sold tickets, advertised, and conducted elections.

By the Skin of Our Teeth!

Although the yearbook staff had their share of problems, hard work and dedication got them through the rough spots and soon they caught on and began the rushed process of producing a quality yearbook.
Under the guidance of Mr. George Herold, who had served as O&G advisor three year's previously, and with Debbie Reed serving as editor, the staff worked many long afternoons and weekends selling ads and patrons to cover the production costs, writing copy and captions, and drawing layouts so the yearbook could get off on time. And in the end another Santa Barbara High School quality yearbook was produced.

Forge Undergoes Changes

During The Forge's 63rd year of publication, the student newspaper sought to attack objectively the problems of the school, serve as an accurate account of current news and provide interesting features on a variety of subjects.

This year brought some changes within the Forge itself; Jon Taguchi was the first Editor-in-Chief to be appointed rather than elected; the Staff was reorganized into sectional editors; last year's nameplate was replaced with a new one; and the number of papers printed was reduced from 1700 to 1000 in order to help curb waste and litter and save money.

Besides being taught journalism, the staff did all the layout and paste up work and learned the importance of deadlines. A great many out-of-class hours of hard work were put into the complicated process that produced what most people saw, simply, as *The Forge.*

Top Left: Forge Editor Jon Taguchi briefs the Forge staff during a staff meeting.

Journalists Honored

Headed by the advisors for Forge, Yearbook, and Oracle, Quill & Scroll is a national honorary organization consisting of outstanding journalists in the school. Members were juniors and seniors in the top third of their class.

QUILL & SCROLL—*Front Row:* Mr. Alex Carasa and Mrs. Lydia Swanson. *Row Two:* Ralph Koeninger, Lorene Lopez, and Susie Hickok. *Row Three:* Vanessa Gauger, Brett Leever, and Karl Weiss. *Row Four:* Joyce Fryer, Jackie Phillips, and Dean Dutcher. *Row Five:* Jon Taguchi, Steve Straehley, and David Romero. *Not Pictured:* Debbie Reed and Camille Claudy.

Writers Sought

Under the direction of Mrs. Lydia Swanson, this year's Oracle was subtitled "Images." With the intention of reaching all the different groups that now co-exist on campus, the Oracle published poetry and artwork submitted by the student body. They hoped that through reading what members of different groups put in the Oracle, students would learn to understand each other.

Center Left: Student teacher Jerome Domenici pauses a moment in his writing to listen attentively to a humorous poem submitted to the Oracle staff.

Although hindered by infrequent meetings and poor attendance, the Pep Club formed the axis of school support and vitality. The largely female organization spread its enthusiasm and spirit to the student body. Program and Rally Chairwoman Michelle Rossi continued the tradition of Victory Breakfasts, Boogie Day, and Mickey Marcos Day, and organized many innovative Pep Rallies.

Even though struggling under the weight of heavy photo assignments, the Photo Staff produced quality work for the *Olive and Gold* Yearbook and the *Forge.* Functioning with a smaller staff than last year, the six students worked long hours in the photo lab developing film and making prints for the school publications. The photographers became a familiar sight around campus as they captured the widely varied life of SBHS on film. Dean Dutcher headed the group as the photo editor.

MECHA was reorganized from an established club that has been a part of Santa Barbara High since 1954. It was formed mainly to promote cultural and social interests while enhancing the image of the Mexican-American/Chicano students. The group also functioned as a school and community service club. MECHA was far more active this year than it had been in previous years. Under the guidance of Mr. Eugene Snyder, members held car washes, sponsored dances, held a food drive for farm workers and the underprivileged, and sold Mexican food at the International Fair sponsored by the Social Studies Department. They worked to rid the school of its graffiti and litter problem, and volunteered to paint school garbage cans and M.T.D. bus stops. This year MECHA has established a high level of activity that future clubs can try to achieve.

Sponsored by the Santa Barbara Kiwanis Club, Key Club is an all male service organizations. The club worked to benefit others by volunteering time, raising money and donating funds to non-profit community groups such as the Muscular Dystrophy Association. Although the group did not have as many projects as they would have liked this year, members planned to help the campus-community relations committee to improve the campus. In addition, they sponsored car rallies which were very successful. Mr. Sendrak, the club's advisor, helped a great deal with the club's development. "I'm very proud of what Key Club has done this year as compared to previous years when I have been in the club. They have achieved a higher standard than I could have hoped for."- Bill McCloskey, President.

Offering a taste of French culture to interested students, the French Club was open to everyone regardless of ability to speak the language. With the guidance of Mrs. Lydia Chavez, members learned about French foods and customs through experience. The many activities planned by the club included crepe parties, a trip to see French movies, Christmas caroling at convalescent homes, and a backpack outing.

Clubs Learn Through Experience

Giving students an opportunity to experience cultures and lifestyles other than their own, the American Field Service hosted both foreign and domestic exchange students. This year SBHS was privileged to host Carlos Errando from Barcelona, Spain, and domestic exchange student Shelley Samuelson from Conneticut. Marcus Williams was welcomed back from a stay in St. Louis, and Peggy Jones from a year in Australia. In addition, Lisa Genasci departed in February for a year in Uruguay.

AFS CLUB - *Front Row:* Betsy Bayha, Leslie Lincoln. *Row Two:* Susie Hickok, Lisa Rubi, Marcus Williams, Kathy Barden, Liz Wottring.

Composed of members of the Advanced Graphic Arts class, the Print Club offered job training for students interested in the various fields of graphics: printing, lithography, silk screen, and photography. Members supplied a variety of printing for the school's clubs and organizations in many ways, including posters and silk screened T-shirts. They produced programs for football and basketball games, in addition to programs and tickets for plays and concerts.

Indian, Print Clubs Help Others

The SBHS Indian Club sponsored their annual Christmas collection for Indian families, with the gifts going this year to the Redwind Foundation. Under the direction of Mrs. Virginia Scott, club members came to a better understanding and appreciation of native American culture.

To care for Mother Earth with the Hopi,
To learn the Blessing Way of the Navajo,
To avoid haste as we discuss solutions,
And to open our minds to values our nation could receive from its Original Americans,
These are some of the aims of the SBHS Indian Club.

DECA OFFICERS: Maria Gil, secretary; Antoinette Lopez, vice-president; Ruben Soto, president; Lorri Romero, parliamentarian; Mona Agular reporter; and Lisa Alvarez, treasurer.

DECA, which stands for Distributive Education Clubs of America, is an organization which teaches the functions of business to students within the school. DECA teaches the student the skills needed for a job and it gives them a taste of management and self development. It also teaches student civic consciousness and social intellegence while it sets a foundation for leadership for the future.

Students Gain Experience

Student Store Proves Convenient

DECA's student store is an outlet within the school for students to purchase necessities such as paper, pens and pencils, and to buy anything from snacks to sweatshirts.

The store was open second through fifth periods everyday with students running the store through the lunch hour.

DECA Sweetheart/Winter Queen Reign

Under the spirited leadership of DECA, a variety of SBHS clubs banded together to promote the highly successful Winter Dance. Dons in a winter holiday mood flocked to the Santa Barbara Community College Pavilion, danced to the sounds of Tempting Soul, and cheered Winter Queen Tessie Torrez during the crowning ceremonies.

Later in the year, a heart-decorated Cabrillo Youth Center Ballroom was the scene of the annual DECA Sweetheart Dance. A happy group of Dons enthusiastically greeted the Sweetheart candidates and applauded the selection of Lisa Alvarez as DECA Sweetheart of 1977. Lisa, a senior, was selected on the basis of her active participation in DECA activities and in the Student Store.

Tutorial Program Initiated

One of the highlights of the California Scholarship Federation this year was the initiation of a tutorial program in academic subjects conducted by members to benefit the student body. Eligibility for admission to the CSF was limited to those students earning at least a 3.75 grade point average the previous semester. Membership was neither automatic nor compulsory. Those students who belonged for four semesters (at least one during the senior year) were awarded the title of sealbearer. Under the direction of Mr. Louis Torres, CSF planned many educational excursions.

Like snails I see the people go
Along the pavement, row on row;
And each one on his soulder bears
His coiling shell of petty cares-
The spiral of his own affairs.

But not one leaves his shell behind.
And I, who think I see so well,
Peer at the rest, but cannot tell
How much is cut off by my shell.

Throughout the year ROTC has had many curricular activities. They have had ROTC team meets in which they were inspected for appearance and close order drill. These meets have been against other schools all over southern and northern California. During the fall and winter, the ROTC put on the annual Turkey-Shoot. In addition they stood a Federal Inspection by U.S. Army officers. Events during the spring and early summer are the annual Formal Inspection and the highlight of the year, a four day trip to Fort Ord, California, in which basic training and leadership are taught.

Donettes Show Dedication

Donettes is twenty-three dedicated girls who work together under the expert guidance of Mrs. Erickson. The outstanding squad leaders are Cyndy Ballinger, Molly Kellogg, Cathy Nelson and Kirsten Rydman. These four, along with Captain Doreen Fujii, worked diligently to create original routines and to teach them to their squads. Perhaps the most rewarding part of the season was the Oakland Raiders-Green Bay Packers game in Oakland, in which the Donettes along with the Band and Honor Guard performed at halftime, a performance which turned out to be fun as well as educational. The Donettes put on a new attractive appearance as they filed on to the field for the first time in their new, colorful, yellow uniforms with green trim, and laid the old uniforms to rest.

Spanish Heritage Alive

Wearing their famous, green velvet gaucho uniforms, Honor Guard retained the Spanish heritage of SBHS.

Combined with the Marching Dons and Donettes, they worked as a close-knit ID unit during pre-game and halftime shows and during parades.

Captain of the unit was Cathy Calles. Especially memorable to all members were the trip to Oakland and entertaining at halftime for the Oakland Raider-Green Bay Packer football game.

Band High in Spirit

Pride, tradition, long rehearsals, and hard work best define the Santa Barbara High School Marching Dons. With a small number of returning seniors and juniors, the Sophomore Class did what had to be done to get the season into action.

Although the band had a slow start, by the middle of the marching season SBHS had a band they could truly be proud of.

In addition to marching in all the home games, the Christmas parade, and a City College game, the band also enjoyed a return trip to Oakland to perform at halftime for the Oakland Raiders-Green Bay Packers game, and was able to spend a complete day sightseeing throughout the bay area, venturing forth both on boat cruises and on foot.

The marching season closed with the Annual Band Concert in January in which the halftime music from the previous season was reviewed.

Concert Band Displays Talent

The talented Concert Band worked on exceptional original band works and several orchestral transcriptions to present at the May Fine Arts Festival. Samples of the songs played by them are *Feierlicher Einzug,* by Richard Strauss; *Praise to the Lord,* by Vaclay Nelhybel; and *Old Comrades* by C. Teike. In addition they planned a short concert tour in the spring. Conducted by Mr. Terence Boyes, the band was a success wherever it performed.

String and Woodwind Ensembles Excel

The Woodwind Ensemble included flutes and a clarinet. They were divided into several duets, trios, and quartets, as well as a Flute Choir to perform at the Chamber Music Concert in May. They were instructed by Mr. Terence Boyes. The String Ensemble, also directed by Mr. Boyes, was a group of violinists, several of whom performed musically in *Babes In Arms*. The ensemble also performed in the May Chamber Music Concert.

The Brass Choir maintained the high standards of the SBHS Music Department, which were demonstrated at their annual Mission Christmas Concert. Under the direction of Mr. Terence Boyes, the band created a spectacular melodious effect. During the year the ensemble dedicated themselves to perfecting outstanding ensemble music for presentation at the Chamber Music Concert in May.

The SBHS Jazz Ensemble swung into action with their excellent, fast-moving, rhythmical beat. The band's diligent practice paid off during their performances at the special Jazz Assembly, the King of Hearts Assembly, the Dos Pueblos Jazz Festival, and the Burbank Jazz Festival. The band played many of the recent works of Maynard Ferguson and Stan Kenton. They were conducted by Mr. Terence Boyes, who described them as, "The best Jazz Ensemble in recent years."

Madrigals Share Quality

The Madrigal Singers touched the hearts of many with the splendor of choral music at their traditional Mission Christmas Concerts. Delving intensely into musical expression and quality, the select 23 voice group experienced a year of beauty, joy, and love. Singing for the community, the Madrigal Singers performed for various groups including the Little Town Club, KCET, and the Men's Garden Club.

Following the tradition of musical perfection and beauty to be found in Room 60, under the direction of Miss Phyllis Zimmerman, the 74 voice A Cappella Choir worked toward levels of excellence and musical understanding. Bound by the love of singing, the members of the choir deepened their interpretation of music and shared it with others at Christmas and Spring Concerts. The A Cappella Choir also gave a concert of harmonic visual synthesis with the profits going toward improving the acoustics in the auditorium.

Students interested in learning more about voice and music were encouraged to join Mixed Chorus. Through exposure to a variety of musical details, the 100 voice group increased their knowledge of choral singing and literature. With hopes of making it into the more select groups like A Cappella and Madrigals, the members of Mixed Chorus worked hard on their vocal and musical development.

Androcles Tours District

Androcles and the Lion was put together by the 6th period Play Production Class under the direction of Mr. Alan Strunk. The company toured almost all the elementary schools in the district, and did a special performance for Hillside House. Steve Epstein, a crew member, says of the play: "We had some drawbacks at first, but it turned out in the end to be a hit!"

Top Left: The cast of "Androcles"-*Front Row:* Kate Johnson, Ann Wisehart, Suzette Thomas, Steve Epstein, Dorcus Kelly, and Peter Landecker. *Row Two:* Cheryl Butts, Nick Paterson, Barbara Reed, Linda Hickman, Dirk Weldon, Debbie Lorr, Ginny Clark, Kristen Johnson, and Peter Siebold.

Miracle Worker Hailed "Best fall production."

The Fall production for 1976 was the powerful drama *The Miracle Worker*. The play was under the direction of Mr. Alan Strunk, with technical direction by Ms. Dee Cecil. The play starred Ann Wisehart as Helen Keller, and Kristen Johnson as Annie Sullivan. Others in the cast were Nick Paterson, Dirk Weldon, Kate Krause, Peter Landecker, Peter Aaron Siebold, Debbie Loehr, Ginny Clark, Sherryl Butts, and Linda Hickman. The drama was well received and was hailed by Theodore Gekis as one of the school's "best fall productions, as it is supported by both an exciting plot and an energetic cast."

The unseen force behind each school show, the production crew provided many vital functions for this year's presentations: *The Miracle Worker; Androcles and the Lion; The Fantastics; The Matchmaker;* and the totally student produced *Babes in Arms.* They were the talented people who performed the countless tasks necessary for each show to run smoothly. In addition to the actual stage crew, many other groups were needed for costumes, makeup, sets, sound, and lighting. These dedicated people devoted many hours to their fine achievements.

Sound, Stage Crews Self-Reliant

The sound crew provided a valuable service in setting up the sound systems for all athletic events and many other school functions. Under the direction of Mr. Harper Ormsby, the organization tried to further develop self-reliance by experience. Students operated the equipment themselves under minimal supervision as part of their training.

The purpose of the dance organization is to "create and perform dances for school productions," said Mrs. June Christensen. The company had, by all means, succeeded in their purpose with *Babes in Arms*. The production was put together under the student direction and choreography of Molly Jackson. It was their only production this year. Sadly, Mrs. Christensen has announced her retirement from theatrical dance instruction. The dance organization must now seek a new dance teacher to replace her respected guidance.

SPORTS

V-ballers Go to CIF

The women's volleyball teams had an excellent season this year with the varsity winning 2nd place in Channel League with a 8-2 record. Their losses were to San Marcos. Varsity player Shelly DiZinno scored 57 points in the league, the highest for any varsity player. Keri Rogers, varsity team captain, helped lead the team to the first round in CIF. Coach Peggy Marchbanks stated her hopes for next season, "We should take first place in league and stay in CIF longer." The JV team with a 9-1 record finished 1st in the league. Rhonda Lee was the most outstanding JV player this season.

Rookie Season for Women's Softball

The first season of CIF sanctioned women's softball was greeted with much enthusiasm by the team members. Looking forward to competition with Channel League schools, the team is learning each day the teamwork and tenacity that will be necessary for a winning season. Leading the team are Carolyn Hummer and Carol Hernandez, who play shortstop and firstbase respectively. In keeping with the team's optimism, Coach Karen Friedrich feels, "We've got a good shot at the title; but, even if we don't even come close, we'll improve through experience, and that's what really counts."

WOMEN'S SOFTBALL - *Front Row:* Roxanne Hernandez, Lorene Lopez, Kika Ramirez, Carol Hernandez, Regina Medina, Margerita Ronio, and Annette Garcia. *Row Two:* Coach Freidrich, Alicia Gonzalez, Bernadette Fletcher, Yolanda Morello, Colleen Heinrichs, Lauren Carl, Genevieve Espinosa, Lupe Vasquez, Annette Abayan, and Erin Busby.

Entering its second year as an officially sanctioned CIF sport, SBHS's Girl's Basketball Team had improved by leaps and bounds. Their overall 9-4 record is due, in a great part, to Coach Mike Valencia, whose patience and skillful coaching ability added to the tremendous team effort. Hopes for the CIF playoffs were apparent at presstime, with many banking on the team's most valuable players Tish Butcher and Kayne Kadlubeck. "If this year's team is any indication, I'd say that girl's basketball is definitely here to stay."

Once more finishing as runnerups, the Dons' womens tennis team was, for the fourth consecutive year, edged out of the championship, falling only to the powerful DP Chargers. Lead by Kathy Falberg and team Captain Susan Storrie, the Varsity had an 8-2 league record and were 10-3 overall. Kathy entered CIF and played to the quarterfinals where she was ousted by a powerful L.A. opponent. "We had a young and enthusiastic team this year so I'm expecting even greater things next year."-Coach Caroline DeRosa.

The women's cross country team was ranked no. 1 in CIF and they captured the Channel League title this season. Coach Vern Gambetta gave a reason for the team's victories in 21 straight meets, "A tradition of excellence and a willingness to work hard." Varsity runners Tara Hobbs, Pam Cox, Molly Miller, Connie Hogan, Cindy Schmandt and Mary Tobar helped lead the team to their outstanding season, and the entire team worked as a close unit with an abundance of spirit. Coach Vern Gambetta commented on his hopes for next year, "We should have a good year, but we lose three varsity runners."

Women Swimmers Gain Experience

No longer a new sport, the women's swim team looked forward to a very challenging and competitive third year of CIF competition. Facing stiff competition from Northern League opponents, San Marcos and Dos Pueblos, the team was enthusiastically awaiting its third chance at a CIF title. Led by all-around swimmers Wendy Reynolds and Melissa Martin, the team was also aided by the talents of the Kadlubeck's, Mary and "Keke." Although still a young team, coach Carolyn DeRosa feels, "we've got so many great swimmers I can't help but feel optimistic about this season!"

Track Team Biggest Ever

Having gained much experience from prior years, this season's women's track team went into their vigorous schedule with much enthusiasm. Leading the team were Joyce Fryer, Torrie Dorrell, Kayne Kadlubeck, and Susan Storrie, all of whom showed good, early, all-around performances. Facing the harriers later in the season will be San Marcos and Dos Pueblos, who will provide stiff competition. Says Coach Vern Gambetta of this team, "If they work, they'll be good. If they are good they will win."

Gridders Struggle in League Opener

In the 17th annual "Big Game" against the San Marcos Royals, the Dons took it on the chin, losing 35-14. From the start, the Royal blitz on offense and defense stymied the SBHS gridders. However, in the second half the Dons charged back. After a short drive, tailback Rick Torres tallied on a four-yard plunge, and Quarterback Greg Calderon teamed up with splitback Sam Greene on a 50-yard scoring aerial.

Coach Mike Moropoulos summed up the game with these comments, "We played poorly, but I think they made us play poorly. They did an excellent job on both offense and defense."

Dons Bow to Chargers, 16-17

After an upsetting game against San Marcos, the Dons were determined to win. But unfortunate fumbles gave the close 17-16 win to the Dos Pueblos Chargers. Early in the first quarter, the Dons scored a touchdown on a 12-yard reverse by Sam Greene. Later, Jason Marton intercepted a DP pass to set up Randy Wuthrich's 31-yard field goal.

But luck changed. As the Dons swept from the Charger 16 yard line, the ball was knocked loose and recovered by the Chargers, setting the tone for the rest of the game. The Chargers recovered Don fumbles at strategic points, which resulted in touchdowns or field goals. The Dons' final score came on a pass to tightend Jim Beatrow.

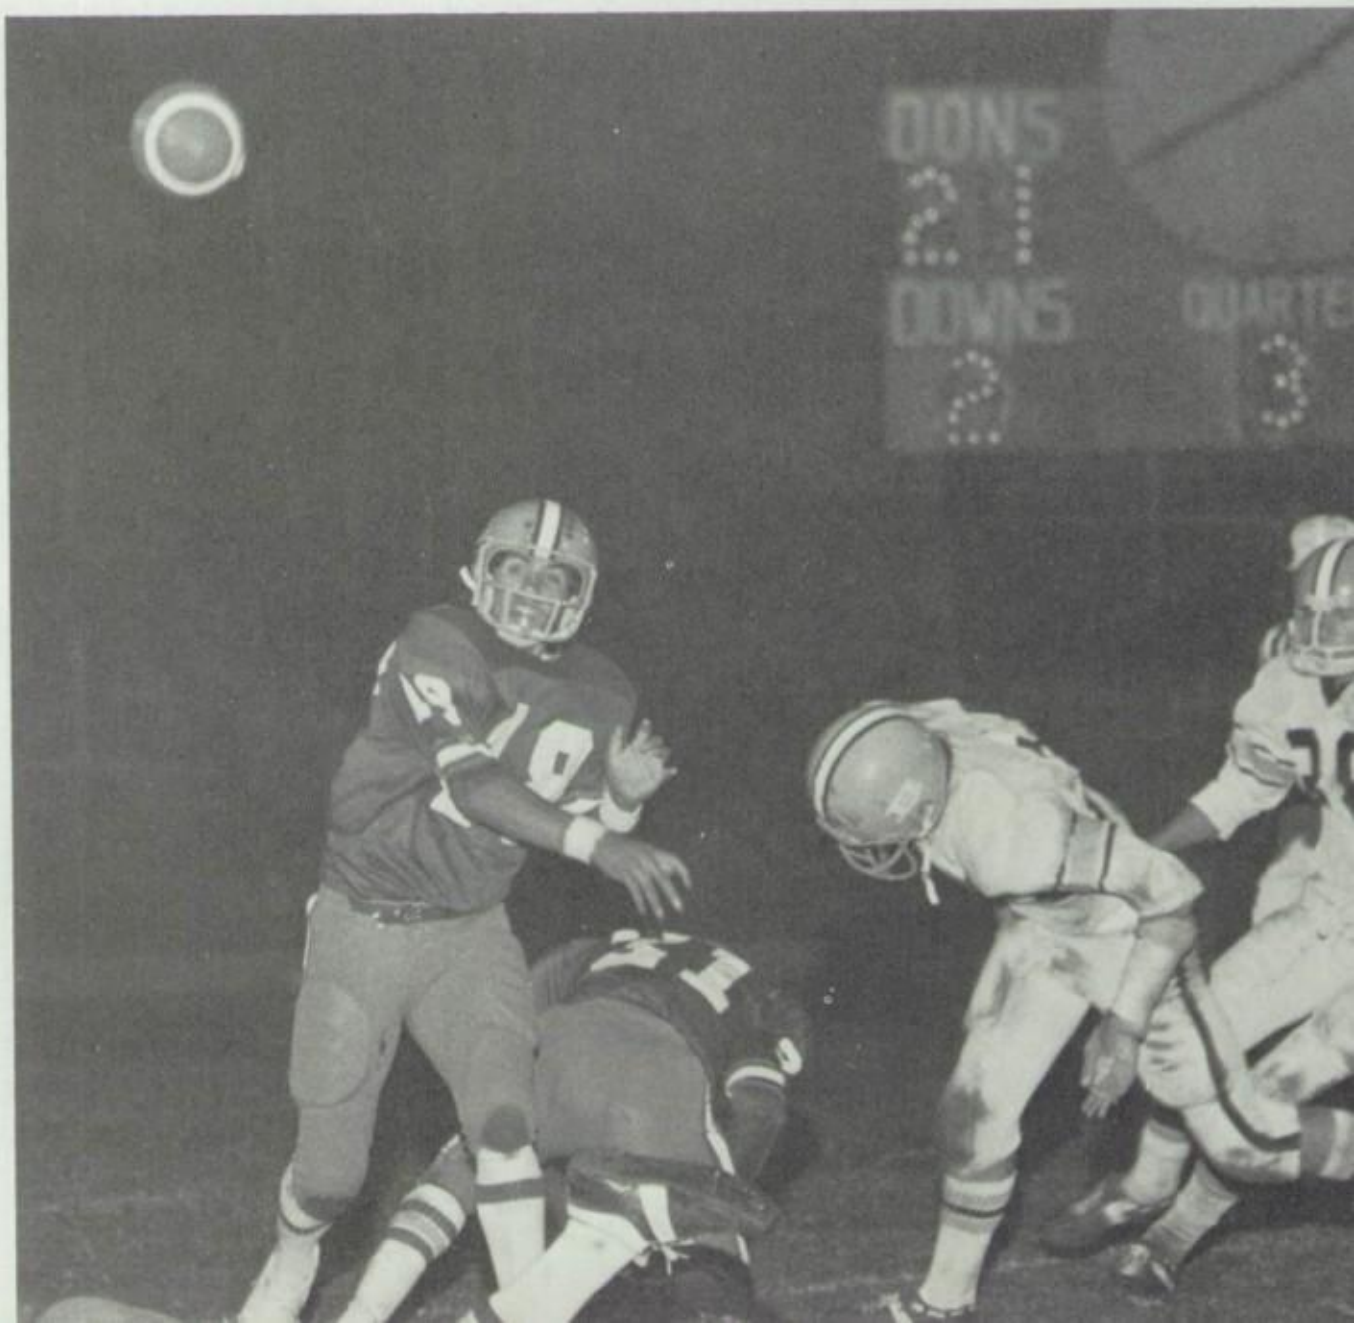
Gridder's Defense Stays Strong

After a discouraging loss to Dos Pueblos, a courageous Dons football squad met and defeated Buena at Peabody Stadium, 27-13. Coach Moropoulos credited the Dons' win to a much improved offensive line. "Our offensive line improved immensely. We reached a better balance between our passing and running games, and a better offense also helped us defensively." The Dons piled up a total of 155 yards rushing with Don Dixon tearing up the turf for 118 yards in 23 carries. The turning point in the game was Greg Calderon's touchdown bomb (midway through the third quarter) to tightend Jim Beatrow. The Dons, also playing a spectacular defensive game, blocked an extra point, and forced three key Buena turnovers. Alan "Big Foot" Jones, and Mike Renga were credited with outstanding defensive games.



Vikings Toppled by Dons, 20-6

Coming off their victory against Buena, the Dons put together another winning combination of offense and defense against a strong Hueneme squad. Defense, again, was the key to this victory; Hueneme only managed a shabby 112 yards against the Dons' brilliant defense. Leading the defense, which was called upon time and time again after five Don fumbles and one interception, were Craig Thomas, Dan Busch, Dan Watson, and Steve Diaz. Both Rick Torres and Don Dixon also had fine nights. Rick Torres ran for 79

yards in twelve carries, with two touchdowns, while Don Dixon rushed for 84 yards. Louie Barragan put the icing on the cake when he plunged over the remaining three yards for yet another SBHS touchdown. The final score in this defensive Don blockbuster was 20-6.

SB Beats Ventura/CIF Hopefuls

Santa Barbara pulled out a comeback win in the second-half of the Ventura game. The Dons remained scoreless until the opening minute of the third quarter. Then Craig Moropoulos, who was playing his first varsity game, completed an 11-yard pass to his alternate wide receiver Jess Hernandez. Four plays later tailback Donnell Dixon scored. Randy Wuthrich put up the extra point to put the Dons ahead 7-6. Following a blocked punt by Jason Marton, David Keisling punched through for another six. The extra-point attempt failed. However, Jason Oatis may have saved the game when he recovered a Ventura fumble deep in Dons' territory. Santa Barbara, momentarily, kept alive their hopes for the CIF AAAA playoffs.

"Donlets" 2nd in Channel League

The Sophomore Football Team finished 2nd in Channel League with a 3-2 win-loss record. Compiling an over-all record of 6-3, the "Donlets" played consistently well. The season ended with a 14-8 victory against Ventura, in which Greg Davis and Gary Rollings proved to be valuable assets in the strong team effort. Most outstanding offensive player was Rodney Hunter, splitend, who gathered in 34 catches for 485 yards. The most outstanding defensive player was linebacker Gary Tidd who had 66 tackles and 24 assisted tackles for the season. Coach Fred Warrecker says of this years team, "The team played well together as a unit; they were confident and determined."

Harriers Have Best Season Ever

The Varsity Harriers had the best season in their history this year. Cross Country began here in 1957. Finishing with a perfect win-loss record of 8-0, they have won their last nine dual meets in a row, an unprecedented record. In the Ventura Dual Meet, the Harriers set two other records: All seven varsity came in under ten minutes, and they broke the previous records for the 2nd and 3rd fastest times on the home course. Co-captains Stan Heinrichs and Raul Gil led the team with much leadership and hard work. Stan also earned all-league honors by placing third individually in the Channel League finals.

Varsity Water Polo Travels to CIF

Everything came together this year for the water polo teams. Although still not obtaining the coveted number one spot in league, the varsity team had a very hard working, cohesive year, tying for second place with San Marcos, and traveling to CIF. The varsity team, led by excellent hole-sets, Jamie Clement and Tom McCloskey (co-MVP's), beat DP twice and ousted them from all CIF hopes. The team received high awards from the league coaches. Jamie Clement received All-League MVP and Tom McCloskey was named to the All-League Team. Steve Eccles, an excellent offensive man, was placed in the All-League Second Team. Varsity goalie Mark Ehlen and Richard Demuth received praise from Mr. Steckel, head coach, for their defensive effort. The JV team also caught the second spot in the Channel League; and with such excellent JV's as Ned Stack, Jon Hanley, and goalie Eric Tanner, the Varsity team has good potential for a successful season next year.

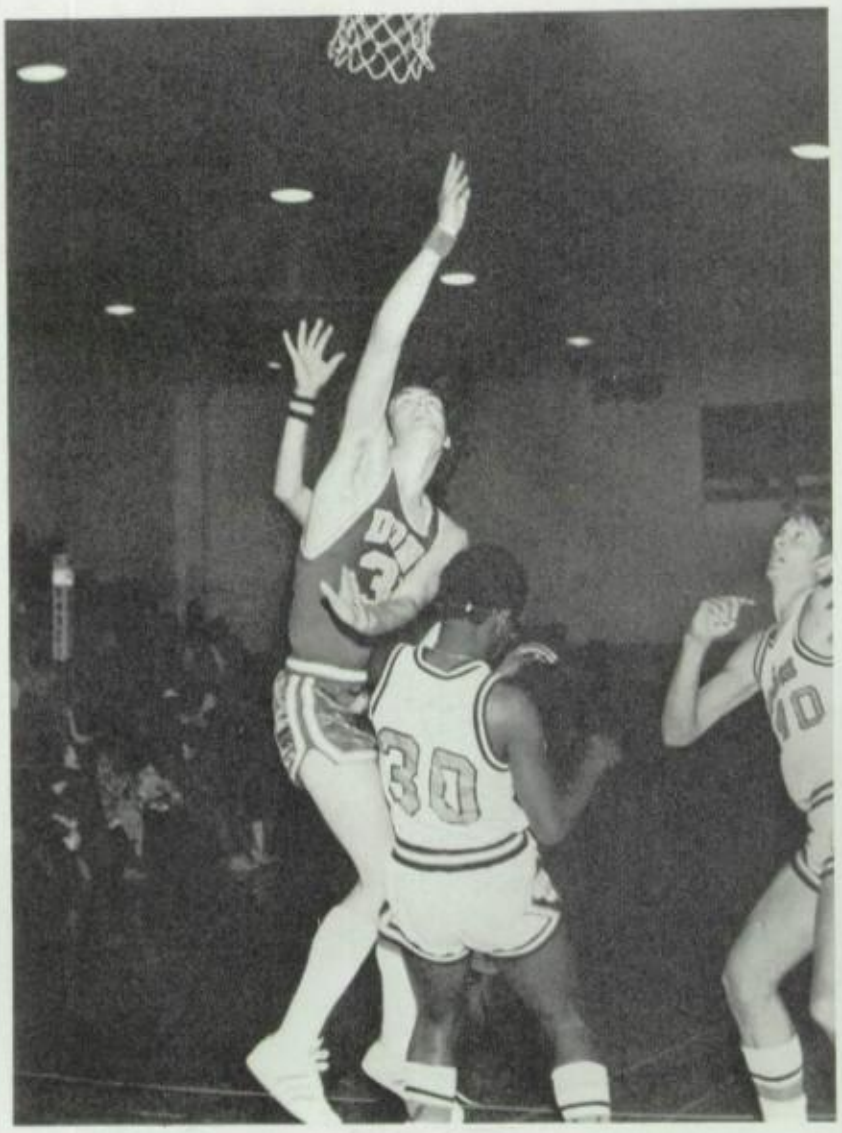
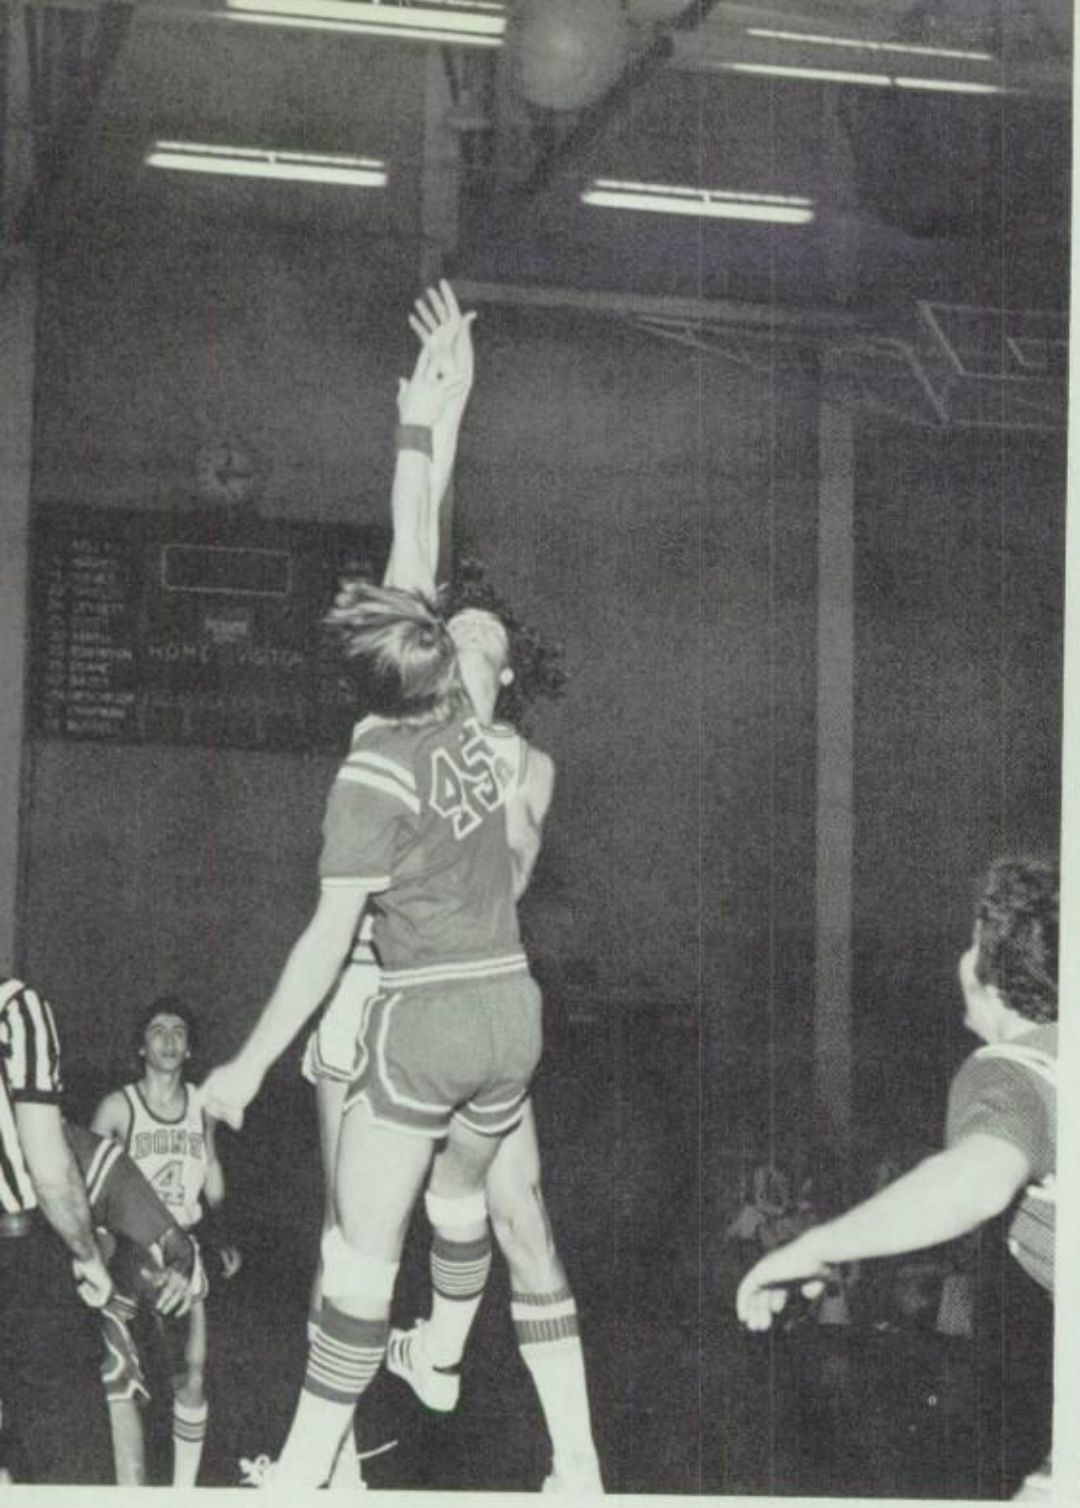
Varsity Title Chase Falls Short

A tradition of high caliber basketball teams has always been a proud chapter in SBHS' history. The past year was no exception to the rule. Starting the season with several holiday tournaments, the cagers proved to be tough contenders rather quickly. Their first victory came early in the season against a highly celebrated Verbum Dei team. Pacing themselves through the "Big" San Marcos and Dos Pueblos games(the Don's beat DP), the victorious early games gave way to a slight mid-season slump. The Don's lost twice, to San Marcos and Ventura, by narrow margins of 40-37 and 32-26.
Key players on the varsity squad were Steve Crandell, Ray Simpson, and Don Barber.

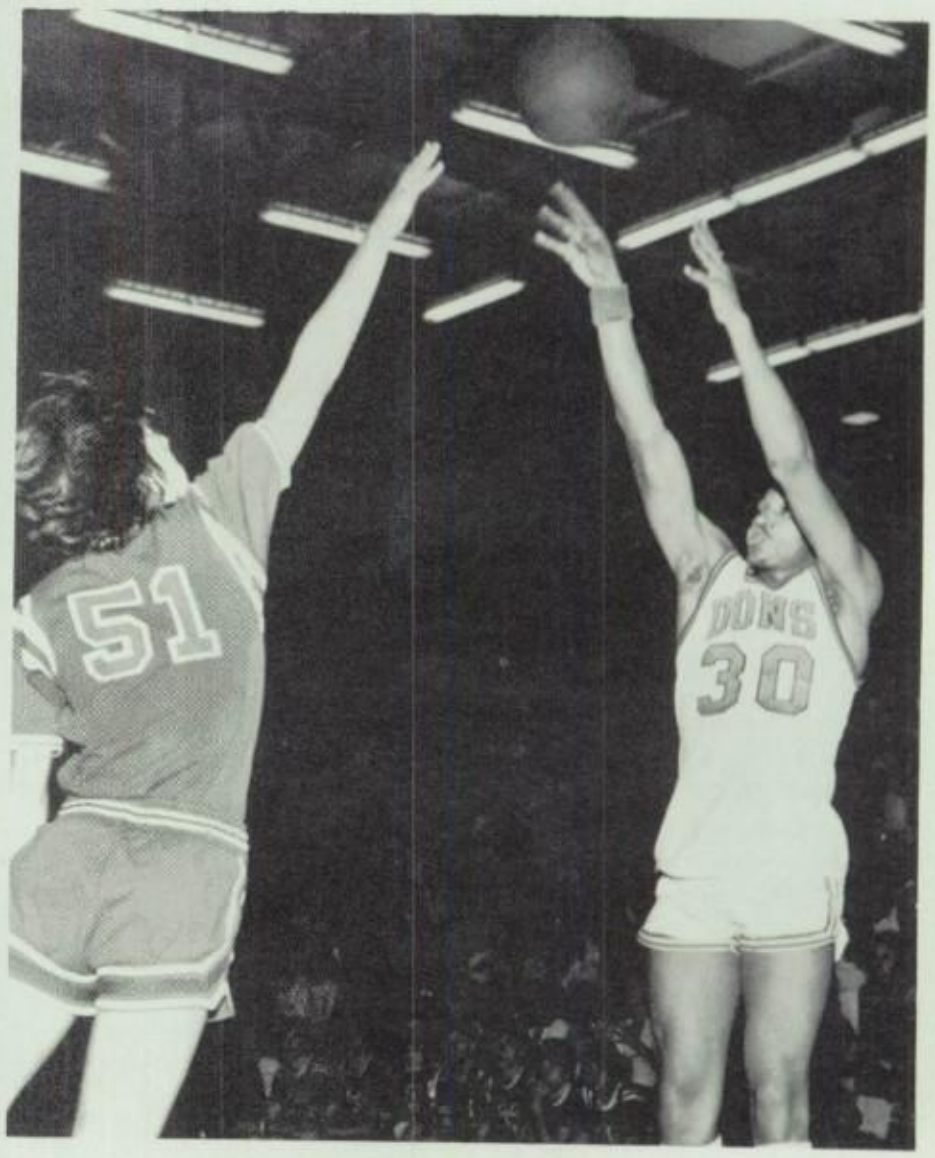




Top Left: Steve Crandell outmuscles a San Marcos challenger during a hotly contested game.

Bottom Left: Fast breaking past an opponent, Mike Garret attacks.

Top Right: Shooting over a defender, Don Barber scores two.



Their consistent ball handling ability coupled with a combined average score of 10 points per game boosted the Dons whole team effort, both mentally and physically. However, no slump lasts forever, and the cagers broke this one with a defensive victory over the Buena Bulldogs by a score of 35-32. Finishing regular Channel League competition with winning records of 16-7 overall and 6-4 in League, CIF looked far away. They placed their CIF hopes on a tough Santa Barbara vs. Ventura game. Winning would place the Dons on the playoff trail. But the Dons were halted by an unrelenting Ventura squad. Coach Jack Trigueiro said, "In the Ventura game we lost because of turnovers. They handled the ball well and turned it over only three times."

Although the Dons had been ranked as high as 6th in early CIF polls, part of their slumping mid-season record was attributed to the loss of several very talented players. Coach Trigueiro commented, "It's really unfortunate that I had to drop several of my best players for disciplinary reasons, but if I eased back at all, the quality of the varsity program would drop. Those who remained on the team held up remarkably well." The team stayed united and, cheered on by mobs of fans, challenged for a CIF berth until the very end of the season.

Bench Strength Honored

This year special commendations went to the "bench warmers," those special players who came off the bench cold in crucial situations. David LaCabe, Jim Beatrow, and Jime Limon were outstanding at critical moments in key games.

All things considered, it was a very productive season. Many junior varsity and sophomore atheletes will be returning and will be much improved. While the loss of seniors Miguel Meraz, Steve Crandell, and Don Barber will not help the team, Coach Trigueiro does not think their loss will hinder the '78 cagers. "A lot of good JVs will be back and they'll be improving even more. I'd say we have a good chance for the League title and possibly the CIF play-offs."

Bottom Left: Leaping the height of the basket, Ray Simpson gets an easy two points.

CIF Champions - 3rd Straight Year

Setting a precedent for excellence seems to be the goal for the varsity soccer team. They are proving to be an outstanding team year after year. Starting league action in 1973, the team has captured league titles and three CIF championships. Led by Gus Guzman and team captain Eric Lozano, the team compiled an incredible 25-1-3 record overall. They placed second in the South Torrance High Tourney, losing only to Arcadia. Still, Coach Manuel Garcia considered their toughest game to be against Damien because of their size and aggressiveness. Gus Guzman was named most valuable player on offense, while Eric Lozano received most valuable player on defense.

Matmen Gain Needed Power

Finishing the season with a winning record of 3-2 in League competition, the matmen had a building season. Climaxed by the San Marcos and Hueneme meets, this season alone saw more individual victories go to Don wrestlers than the last four years' totals combined. Even though team unity was lacking at times, the teammates finally pulled together, finishing third in League behind strong San Marcos and Dos Pueblos squads. "This was a year for learning. Good Turnout Sparks Team Spirit

SBHS's strong track and field reputation was built on teams like this year's. With many returning members of last year's team coming back even stronger, this year's team had much potential. A good turnout for the cindermen also had a positive effect on team scores. The team was extremely well rounded, having no real weak points, and individual teammates often found in early meets that they had to race each other. Pacing themselves for possible CIF competition, the team was enthusiastic and worked hard throughout the pre-season.

It's Don vs. Don in the 440 as Walter Trotter and Jerome Pope speed toward the finish line.

Hard Work Rewards Itself

Good team depth and many grueling hours of hard work seemed to be Coach Vern Gambetta's formula for success. "I've never, pushed any team as hard as I have this one. They are all good atheletes, but they do need a little discipline or they couldn't do as well." In keeping with that philosophy, the many hours invested in workouts served as future victory margins.

Coach Gambetta, while crediting the entire team as a whole, selected James McAnich, Scott Omdalen, Rob Foss, and Greg Stevens as being the most improved atheletes. Looking forward to next year Coach Gambetta said, "We'll have many returning for next year; that extra experience will hopefully make next year even more beneficial than this one."

Bottom Left: Ticking the bar as he goes over, Mike Young contemplates his landing.

Varsity Sharpens Defensive Skills

The SBHS baseball teams continue to improve, and this year was no exception. Coach Fred Warrecker commented that although the potential may not be fully displayed, the players show a high degree of stamina and playing ability. His goals are to improve team defense and pitching. Heading up the pitching staff are senior Laird McLain and Jimmy Main. He also named Jesse Hernandez, Fred Rojas, and "Peewee" Escobar as players with good game potential. Channel League action will be tough; both San Marcos and Dos Pueblos are considered the real threats. Because the team is basically a junior ball club, Coach Warrecker felt that this year is more of a learning year. He looks forward to an even more skilled team and intensely fought league next year.

Top Right: Eye on the ball, "Peewee" Escobar prepares to tag the runner at second.

VARSITY BASEBALL—*Front Row:* Manager Richard Hernandez, Coach Fred Warrecker, Santos Escobar, Joe Fletcher, Carlos Hidalgo, Homer Balboa, Bill Minyard, Wade Allmon, and Doug Howe. *Row Two:* Coach Bobby Townsend, Laird McLain, Allen Kumets, Jess Hernandez, Craig Moropolus, Scott Fetzer, Allan Jones, Fred Rojas, and Coach Natan Lane.

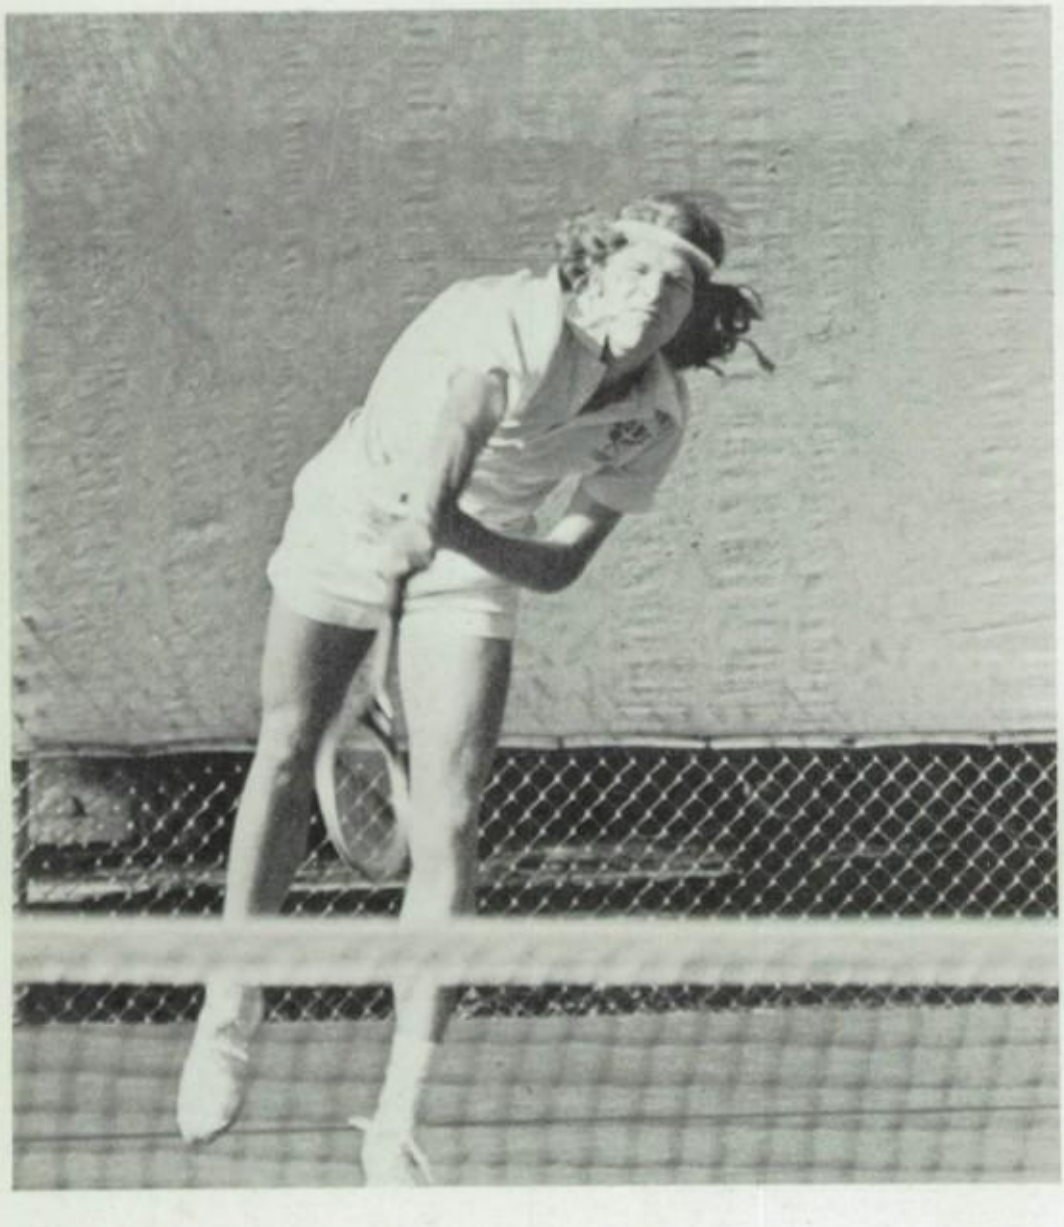
Top Left: Following through, senior Laird McLain pitches for the strike zone during a home game.

Bottom Left: Doing what he does best, Jesse Hernandez connects with the ball for a possible run.

JUNIOR VARSITY BASEBALL—*Front Row:* Jose Cardenas, David Moret, Gary Rollings, Marco Gonzalez, Bullit Equina, Raul Anderson, Monty Morales, Matt Harris, and Hugo Mendez. *Row Two:* Coach Heinrichs, Charlie Venzor, Larry Fenske, Dwight Ricks, Jeff Westemeyer, Tod Ramsey, Hector Balboa, James Beatreau, Chick Williams, Dave Delgadillo, and Mitch Stevens.

Top Left: If Don Lowry hits it right, it doesn't come back, ever.

Top Right: After a quick serve Peter McKittrick rushes the net vengefully.



Netters Reach for League Championship

Keeping with past years, the tennis team is an excellent example of teamwork and a desire to be even better. Under the constant eye of Coach Jack Trigueiro, the team was 3-0 in Channel League competition at presstime. Led by seniors Don Lowry, Thayer White, David Beaver, and Mike Nance, Coach Trigueiro predicted even better things. "I really think we have a good shot at the CIF title. Even though we're still a basically young team, most of these guys are better than I am!"

With their tenth consecutive league championship in the balance, we hope so.

MEN'S TENNIS TEAM—*Front Row:* Joe Hunt, Scott Escalera, Peter McKittrick, Rob Tillshire, Mike Nance, and Tom Horton. *Row Two:* Phillip Beaver, Mike White, Tom Tillshire, David Beaver, Thayer White, Don Lowry. *Row Three:* Coach Jack Trigueiro.

Left: With a delicate touch, Mike Elkins returns a low set during workout.

JUNIOR VARSITY VOLLEYBALL-*Front Row:* Mark Winford, Gary Wilhoite, Murray Wallace, Alex Meisel, Joel Aceves, and Glenn Landon. *Second Row:* Dave Smith, Chris Nighman, Gregg Baumgartner, Doug Jacoby, Mitsure Endo, Steve McMahon, Tim Pettit, Martin Dunbar, Mike Allen, and Mike Neece.

V-ballers Hope for Successful Year

VARSITY VOLLEYBALL-*Front Row:* John Chaffee, Dan Smith, Spencer Barnitz, Tedd Knothe, Bob Rosales, and John Hanley. *Second Row:* Dave Smith, Jon Taguchi, Mike Elkins, Glenn Quigley, Gary Costanino, Karsci Kiraly, Gerald Smith, Coach Rick Olmstead, and Coach Mike Neece.

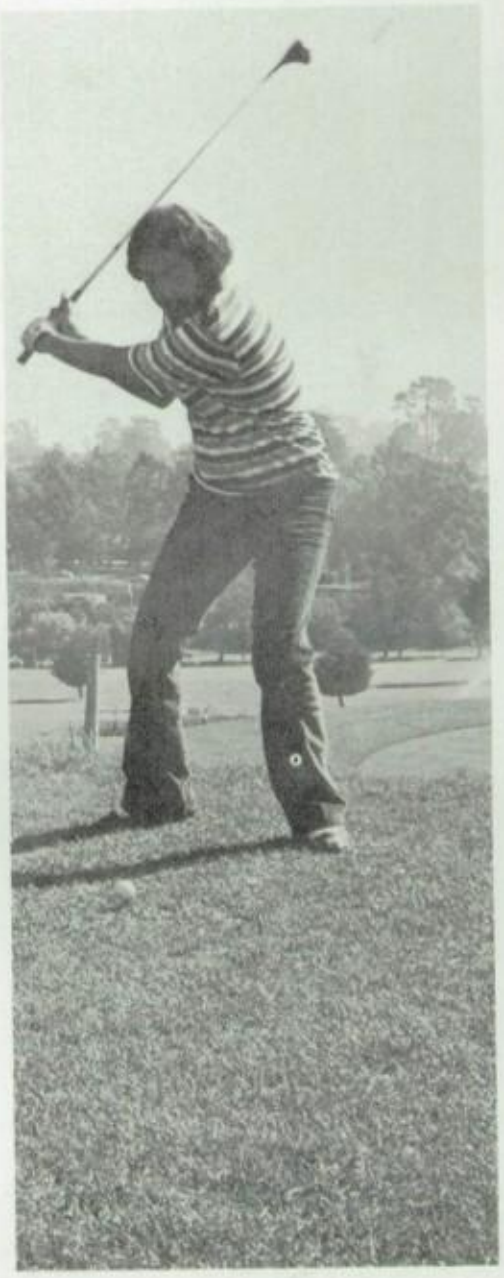
Volleyball has become a powerful and integral part of the SBHS sports lineup. Last year, placing second in CIF, the varsity team has shown tremendous potential and more to come. Although seeing excellent challengers in League as San Marcos and Dos Pueblos (both in the renowned Santa Barbara Volleyball region), Coach Olmstead looks forward to a successful year. "It's our role to work as hard as possible and be as conscientous as possible and if we do this we should have our share of success."— Coach Rick Olmstead.

GOLF TEAM—*Front Row:* Allen Kuroda, Mark Lynch, and Russ Wright. *Row Two:* Coach Sendrak, Larry Mendoza, Bob Johnson, David Guajardo, Mark Delgadillo, and Paul "Marscat" DalBello.

Experienced Links-Men Optimistic

Under the leadership of Coach Ted Sendrak, this year's golf team entertained high hopes of entering the CIF playoffs. With six returning players from last year, the team was experienced, and did play consistently well in early tournaments. Paced by team members Mark Delgadillo, Paul Dal Bello, and Bob Johnson, the linksmen had an impressive schedule to face. "I'm really hopeful that with such a strong young team we'll do well."- Coach Sendrak

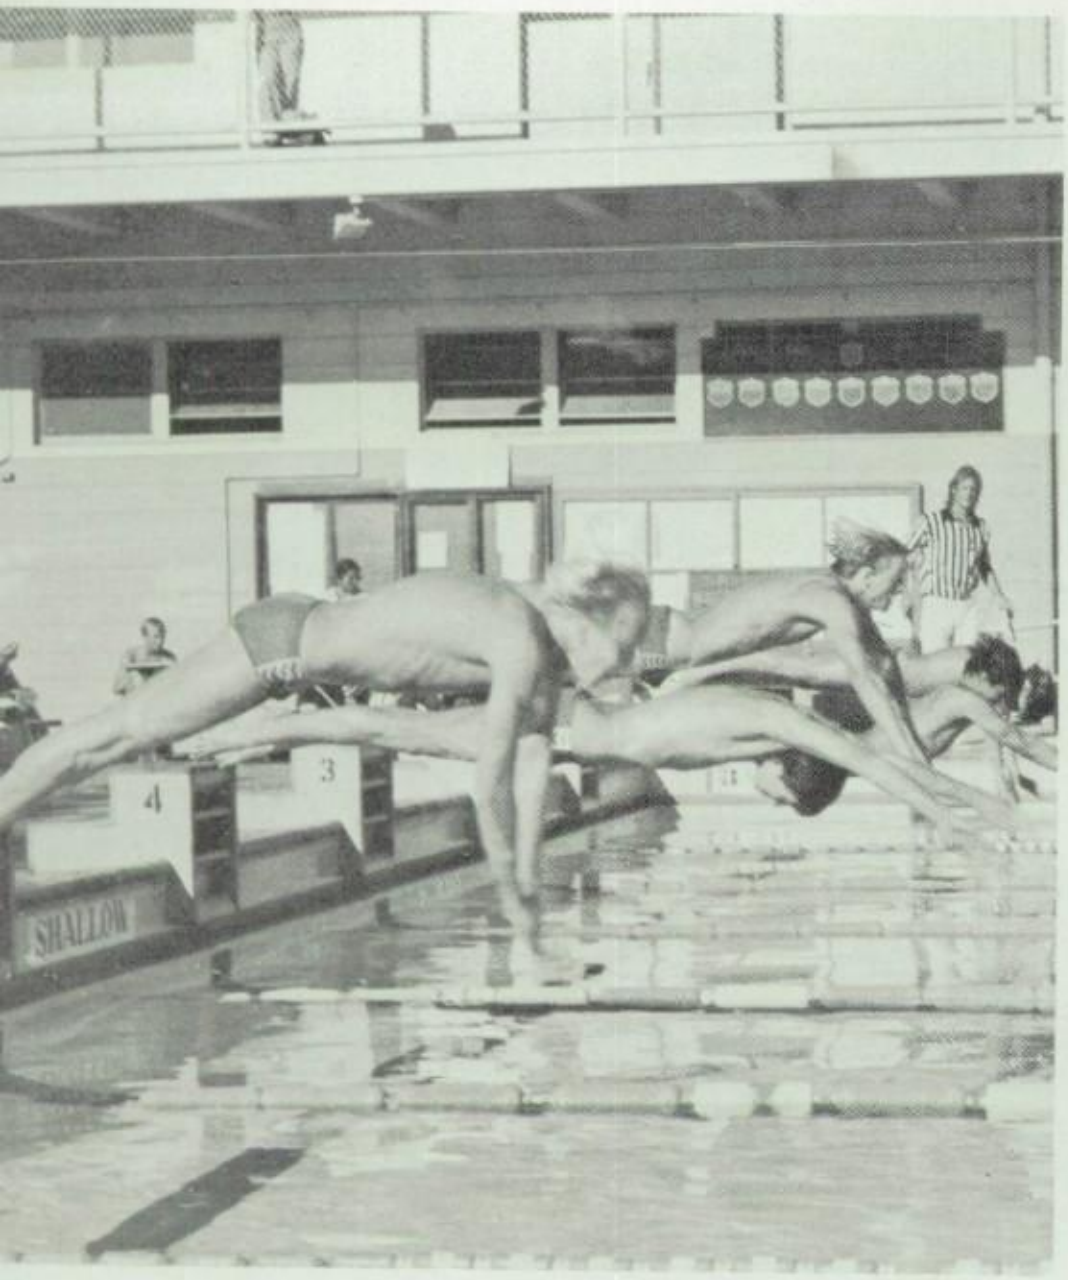
Top Left: With high expectations Larry Mendoza follows through.



Top Right: Teeing off with form is Mark Delgadillo.

Bottom Left: Carefully lining up his putt, Mark Lynch concentrates intently.

Bottom Right: Tim Marvin practices putting before a tournament.



Top Left: Jon Clark and Jamie Clement gain altitude at the start of the 200 free.

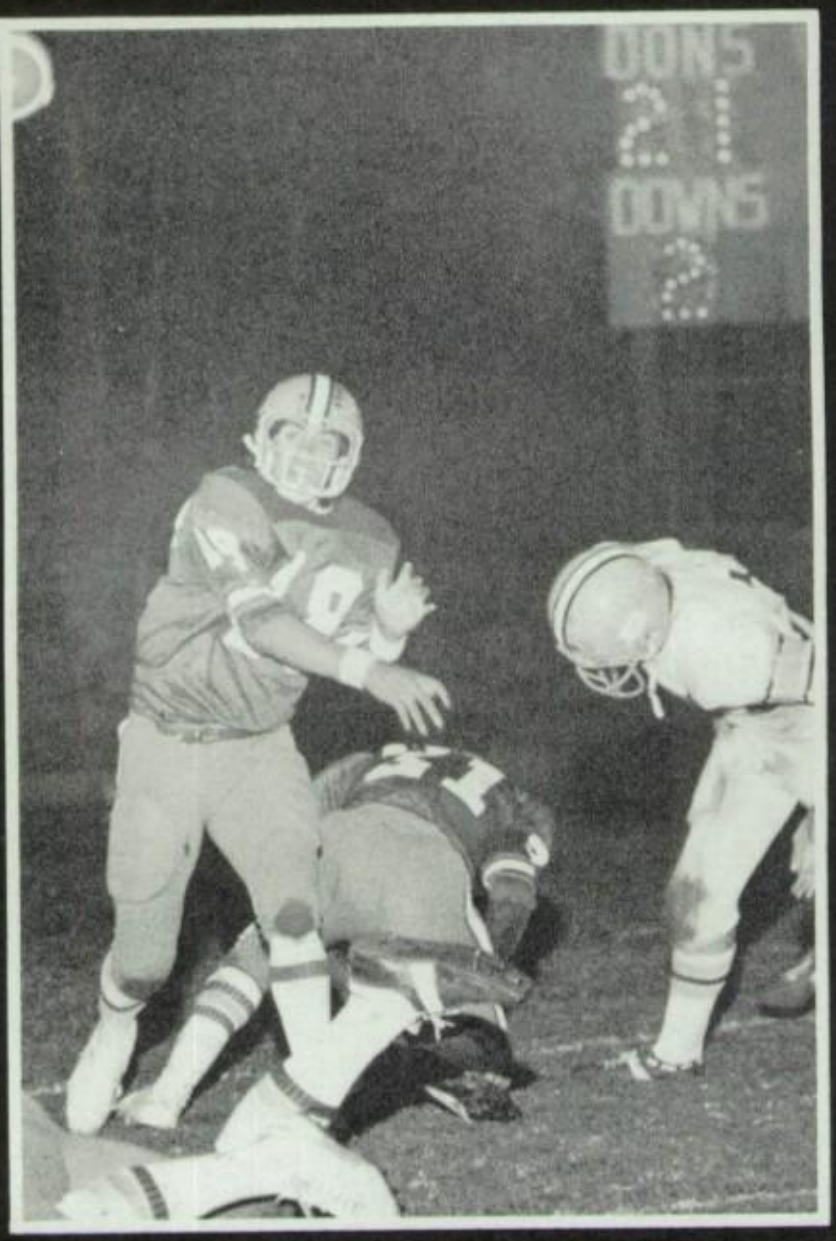
Top Right: Anticipating the gun, Ned Stack sets for the start of his lethal 100 butterfuly.

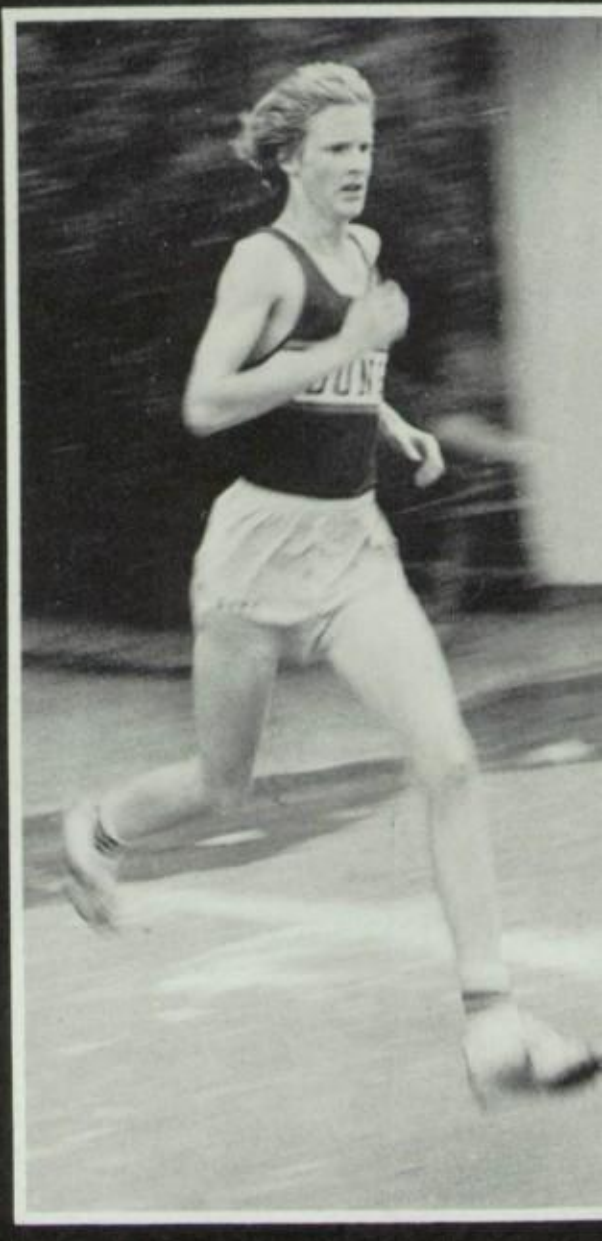
Swimmers Gain Depth

MEN'S SWIMMING - *Front Row:* Chad King, Peter Roberts, Don Phoenix, Ron Robertson, Pat Montgomery, Martin Lenny, Frank Puteri, Arnie Anderson. *Row Two:* Coach John Steckel, Don Smith, Gordon Jennings, John Villereal, Kevin Ruess, George Northup, John Bauman, Dan Webb, Steve Eccles, Coach Don Randall. *Row Three:* Coach Ken Williams, Jon Clark, Doug Sharpe, Eric Tanner, Mark Ehlen, Jamie Clement, Ned Stack, Norby Schiller, Richard Demuth, and Tamio Yamaguchi.

Swimming, one of the newer sports at SBHS, is growing in renown with the help of Coach John Steckel. Led by veteran swimmers, Don Smith, Ned Stack, John Clark, and Jamie Clement, the varsity team has great potential for placing high in the League Prelims and Finals. All four veterans are expected to go to CIF: Don Smith in the breastroke, Ned Stack in the 200 free style and butterfly, Jon Clark in the 500 free, and Jamie Clement in the 50 and 100 free style.

Most Outstanding Athletes





Top Left: Tara Hobbs, Women's Cross Country.

Top Middle: Greg Calderon, Football Offense.

Top Right: Stan Henrichs, Men's Cross Country.

Bottom Left: James Clement, Water Polo.

Bottom Right: Erie Lozano, Soccer Defense.

Top Left: Steve Crandell, Basketball.

Top Right: Tom McCloskey, Water Polo.

Middle Right: Shelley DeZinno, Women's Volleyball.

Bottom Left: Gus Guzman, Soccer Offense.

Bottom Middle: Dan Busch (66), Football Defense.

Bottom Right: Kathy Falberg, Women's Tennis.

School Board Governs 19,000 Students

Dr. Lowell Jackson was educated at USC where he gained his Bachelors, Masters and Doctors degrees. He then served for two years as the interim state superintendent of schools for Hawaii. Dr. Jackson is responsible for the effective operation of the entire school system, and informs and advises the School Board.
The school board governs both the elementary and secondary school districts which include almost 19,000 students and staff members. Members serve on the board for four years and are paid for the meetings they attend.

The 1976-77 school year saw an increase in graduation requirements for all juniors and sophomores. This year's juniors were required to have 160 units for graduation—an increase of ten units. The sophomores were required to have 170 units for graduation. Seniors were the last to have a graduation requirement of only 150 units.

Counselors Institute New Program

The Counseling Department started a new program they hope to implement in full in the future. This program started a new phase in counseling. Students are placed with a counselor by their position in the alphabet rather than by gender.

The program started with the 10th grade counselors, Mrs. Rose Hernandez and Mr. Jon Crawford.

The program will be further implemented as new students enter the school.

The Resource Specialists Program is a District-county cooperative effort in its second year of service to students with special needs. This comprehensive plan for special education centered on a personalized approach to educating students and involved the combined skills of special education teachers, regular staff members, district personnel and county support staff.

Art Sales Buy Etching Press

Through the sales of coloring books and print portfolios, Mr. Tony Askew purchased a large etching press which enabled the printmaking class to do an even better job than ever before. The Art Department's new teacher, Mrs. Cindy Martin, replaced Mrs. Lorber who was on leave.

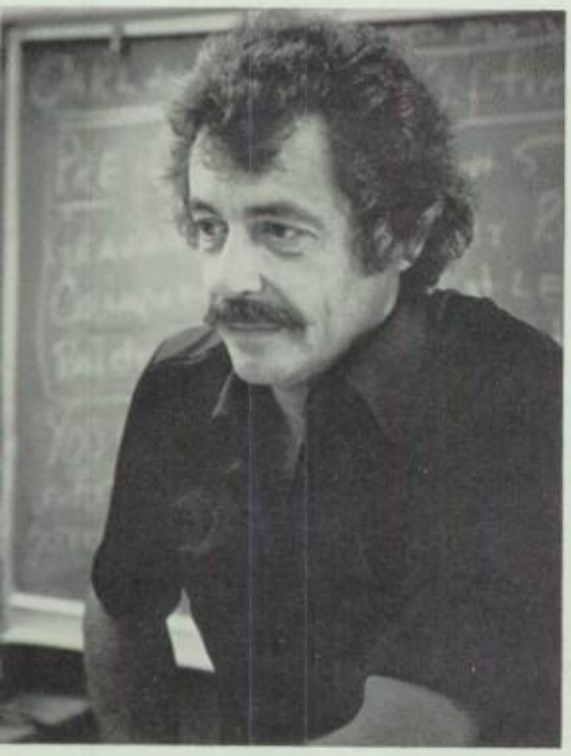
Talented Students Learn . . . Entertain



The Performing Arts Department strives each year to develop optimum talent for their programs throughout the year. As a result of this effort, the programs were widely received by students and the community as a valuable portion of readily available cultural enrichment.

The theater arts program under the direction of Mr. Al Strunk produced five shows: *Fantastics; The Matchmaker; The Miracle Worker; Androcles and the Lion;* and student produced *Babes in Arms,* directed by Theodore Gekis.

The Choral Department completed its outstanding concert schedule featuring the various choral groups with over 200 members. Highlights of the choral concert tour were concerts at Grace Baptist Church, the Old Mission Christmas Concert, and visits to junior high schools throughout the district. Most concerts were free, allowing the public easy admission.

The Old Mission Christmas Concert also featured the Brass Ensemble, directed by Mr. Terry Boyes. The Marching Band was featured in a halftime performance at an Oakland Raiders football game, and made a rousing addition to all SBHS football games.

Spanish Conversation Offered Advanced Students

SBHS is among the few high schools which offered four different foreign languages: Spanish, French, German and Italian.

New courses this year included a Spanish conversation class open to advanced students who were not native speakers; and a conversation class for students who were native speakers of Spanish.

Mr. Tito Gorrindo, department chairperson, said that, "Advanced students are getting high scores on SAT and placement testing in all languages."

2,000 Students Register in Program for 1,500

Since student graduation requirements were increased this year, students were taking classes which were academically oriented. And as a result, two thousand students registered for a program geared for fifteen hundred students.

Among the most popular classes were psychology, modern law, sociology, and Mexican-American history.

The new department chairperson, Mr. Michael Couch, said, "Students are rediscovering that social studies is an interesting subject."

The department acquired two sets of new microscopes and added a new course in Advanced Biology for qualified students.

Mr. Torres, department chairperson, says of his field, "No educated human being can be totally without scientific knowledge and still claim to be civilized."

New Course in Computer Programming

The Math Department offered a new course this year called Advanced Computer Programming. This course was designed for advanced students who wanted more of a challenge writing programs for difficult problems. The computer was programmed to solve problems in physics, chemistry and certain types of math.

Mr. Frank Gerety, department chairperson, said that for such challenging problems, students might "take from two days to a month" to write up a working program depending on the difficulty of the problem.

Students Compete in Design Contest

Every year Mr. Russ Thomas' architectural drafting class competes in the Residence Design Contest in which students study directly with local architects, structural engineers, and builders. Says Mr. Thomas, "We have been fortunate enough to win four contests in a row in competition with other local high schools."

In addition to the excellent courses offered by the Industrial Arts Department, machine shop has added tungsten inert gas welding for aluminum, stainless steel and other hard to weld alloys.

SBHS students have consistently scored in the upper percentiles on state mandated reading and writing skills tests. In addition, SBHS hosts two NCTE Achievement Award winners in writing—seniors Rebecca Goetze and Suzanne Kirsh. "A school is very fortunate to have one award winner. Library Expands Resource Materials

This year, with the help of Federal money, the library expanded its collection of Spanish language materials both in books and recordings.

The librarians, Mrs. Lucy Conroy and Mrs. Alice Thompsen, often spoke to English, social studies and science classes, telling them how to use the library to increase their research skills.

Although fewer students had dismissal this year, Mrs. Conroy says, "Student use of the library has been exceptional this year."

Required Classes Instituted for Boys

As a new phase of boys' physical education, required classes were instituted this year in swimming, gymnastics, self-defense, tennis, intramural sports and physical fitness. The new program has proven "very successful," according to Mr. Mike Moropoulous, department chairperson. The most popular classes remained badminton, weight lifting, and tennis.

Volleyball Team Ranks High in CIF

Ms. Peggy Marchbanks, an outstanding volleyball coach and physical education teacher, has joined the physical education staff this year. Her coaching excellence led the volleyball team to the highest CIF ranking since the sport was initiated at SBHS.

The girls' physical education department offered a new course in weight training to go along with the ever popular courses in tennis, body contour, folk dance, and tap dance.

The Home Economics Department has one teacher less this year, and as a result, fewer classes were offered to students. Nevertheless, the most popular classes still remained. Among these were Foods 1&2 and Creative Clothing. A popular class among girls was Child Development, in which they learned to care for babies and young children. This class featured a playschool in which children were brought to the classroom. Mrs. Sondra Stuerman, department chairperson, says having children to work with is a, "Highlight of this class."

Through the efforts of the Career Center staff, speakers, films and demonstrations were brought to SBHS for students interested in such careers as agricultural biologist, paramedic, model and many others.

The Business Education Department introduced a new course entitled Personal Typewriting. This course, especially designed for college bound students and taught on electric typewriters, emphasized manuscript and report typing.
Popular courses included, distributive education, advanced merchandising and Miss Pat McNamara's Real Estate Class, which was featured on a national television show on KTTV.

New Nurse Among Personnel Changes

The 1976-77 school year saw many personnel changes. Among these was Mrs. Nadine Heppell, the new nurse on duty at SBHS.

With the help of her aide, Ms. Frances Scafidi, Mrs. Heppell provided designated health services to all students including such things as vision and hearing screening, health counseling, accident prevention, as well as emergency care for students and staff members.

Mrs. Fern Arbelbide, the switchboard operator, retired this year after having served SBHS for ten years.

Gardeners Fight Battle Against Litter

Over the past three years, Santa Barbara High School's custodial and gardening staffs faced a cutback of five men. These cutbacks meant more work for the remaining custodians and gardeners. In addition, the necessity of cleaning up acts of student vandalism and cleaning up after littering students made their job more difficult. Aside from the fact that the custodians and gardeners workload has increased, Mr. Bill Robles, head custodian, still feels, "...this is a great place to work."

Food Preparation Class Tests Imagination

Throughout the school year, ten cafeteria workers come to school every morning at 6:30 A.M. to prepare delicious meals for the more than 300 students who eat in the cafeteria each day.

In addition to cooking, serving and cleaning up, Mrs. Millie Sanchez and Mrs. Clarice Pearson also manage to teach a food preparation class for interested students. Each day, students go into the cafeteria to create new foods and beautiful salads. As Mrs. Millie Sanchez says, "It is a test of the imagination from day to day."

A round bronze plaque of the Centennial Seal and a smaller rectangular plaque identifying the donors and designer were installed in the floor of the main entry hall. Looking at the seal are Alumni Association President Christina Cavallero, ASB President Lanny Ebenstein and designer Greg Jenkins.

Mike—
you are a
really sweet
guy and I wish
you didn't move to
Arizona! I'm really ill
glad you came back. I'll
always remember the good
times & the bad. I wish you
the world and good luck in the
national game! Love ya,

Santa Barbara hail to thee
Strong thy ties shall ever be.
Sons and daughters praise thy name
Honor thee and spread thy fame.
Learning in fellowship, always thou art
Deep graven these on every heart
Strong thy ties shall ever be
Santa Barbara, HAIL to thee.

Mike-
gosh, it's been
such a long time
since we've talked or
written to each other. I
couldn't believe my eyes when
you walked up to me. It
was just like the old days!
It's neat that you're back
in S.B., even tho you don't
really like it here. I hope you
stick around for part of the summer,
cuz it looks like the weather
is going to be great in S.B. you're
really a neat guy, + I always
got a kick out of talking to you,
cuz you crack me up w/all your
weird experiences. Have you had
anymore? Anyhow, I hope you stick
around for a little while longer, cuz
I still want to talk to you some
more. It's been fun + crazy knowing
you; well, I'll see ya soon, I hope
Bye!

Love,
Debbie Lueck

Mike,
Have a good time

Mike

Its great seeing you.
Its been a long time.
Im really stoked for
all you guys graduating.
Good luck with whatever
you do. Ib hope Arizona
treats you right. Have a good
summer. Take care

Debbie Esau

"Little" Mike!

Im only Kidding! Weve had some
good party days - night! Youre
a crazy person - but youre
great! Stay that way! O.K.
Have a good summer &
enjoy youre life!

Love Debbie Huntoon

Mike -
Hey I'm really
glad that you came
back before school
was out or I probably
had'nt seen you again
Take care and keep out
of TROUBLE (we'll try) Hope
to see you around.
Love Always
